Such documents are also available on the Commission's Meeting Agenda webpage subject to staff's ability to post the documents before the meeting.

The Planning Commission is concerned that large amounts of written information submitted to the Planning Commission the day of a public hearing might not receive the attention it deserves. To ensure delivery to the Commission prior to the hearing, written information from the public is encouraged to be submitted by Thursday the week prior to the meeting. Planning Services cannot guarantee that any FAX or mail received the day of the Commission meeting will be delivered to the Commission prior to any action.

For purposes of the Brown Act, Section 54954.2(a), the numbered items on this agenda give a brief description of each item to be discussed. Recommendations of the staff, as shown, do not prevent the Commission from taking other action.
