Dear Board of Supervisors,
We understand that item 36 on the December 4th agenda concerns Resolution 165-2012. We hope that all of the members will vote to recognize the existing natural trail as a segment of the El Dorado Trail. Breaking it up into sections, we have managed to walk the entire length from the county line to the fence by the freeway in Camino and have enjoyed it all. Please support this resolution.

Board of Supervisors,

For numerous years we have enjoyed using our local county trail along the old railroad tracks, sometimes alone, sometimes with a group of friends. It gives the option of a short or long hike and is great for about 8-9 months out of the year (especially in the fall, winter and spring, summer being a little too hot). **Please support resolution 165-2012, item 36 on the Dec 4th agenda!**

Thank you,

Annemiek Storm and Ed Means

Placerville
