Hello

I would like to say I think this is not a good idea, however if you must have homeless camps.

I am in favor of the sheriffs plan to have it next to the jail.

El Dorado County Board of Supervisors,

The idea of starting more homeless camps around El Dorado County will not solve the homeless problem. I worked in Human Services and Supervised the General Assistance(G.A.) program. If there are MORE camps, there will be MORE expenses in the G.A. program. As you may know, this would come directly from the General Fund of our county, NOT be reimbursed by the Federal or State Government. The camp that is currently on Broadway is an eyesore and is devaluing the properties around it. The garbage that is constantly piled around there is disgusting. Why are you not supporting the Sheriff's plan to have a homeless shelter near the Sheriff's station? Please cancel these camps around town and use our Sheriff's plan to help solve this problem.
