

AGRICULTURAL COMMISSION

Annual Reporting Period 1/1/2023-12/31/2023 per El Dorado County Board of Supervisors Governance Handbook

Created in 1967 by the Board of Supervisors, the seven member Agricultural Commission acts in an advisory capacity to the Board and the Planning Commission on all matters related to agriculture. The Agricultural Commission’s scope of interest includes a wide variety of agricultural, timber and land use issues including agricultural land preservation, agricultural production, forestland preservation and forest production. The Commission also advises the Board of procedures and techniques requiring legislative or policy actions that would encourage and promote agricultural activities that are conducive to the continued well-being of El Dorado County.
