1
BOARD OF SUPERVISORS
EL DORADO COUNTY

The original Item was presented to the Board on January 12, 2009, Item 32 and was described in depth. The purpose of this maintenance project is to reduce the bottom ladder fuel and the fire danger at the Pollock Pines Park site. Supervisor Nutting will continue working with County Counsel, General Services and Vicky Yorty, Executive Director of El Dorado County Fire Safe Council who will coordinate efforts between the California Conservation Corps (CCC), Growlersburg and volunteers to utilize their resources.
