---	------

Summary of qualifications	
---------------------------	--

Over fifty years of managerial and board-level experience in public and private governance, regulatory compliance, policy development, planning, rapid response, and research. My career was primarily focused on high technology-based system solutions, IT security, and privacy arenas. As a citizen, my community service included volunteer firefighter/medical first responder, HOA management, nonprofit organizer/fund-raiser, and homeless-shelter weekend cook and counselor. Federal response team (civilian lead) 2001 Anthrax Attack Incident. Degrees include BA, MPA and PhD. I have resided in EDC for six years, Cameron Park and El Dorado Hills.

**Affiliations with professional and/or community groups**

El Dorado County Affiliations

- EDH Community Council, member-Leadership Team
- Concerned Residents of EDH Heritage Village, president - 501(c)(3) public benefit corporation
- Taxpayers Association of El Dorado County, member

---

**Why do you seek appointment?**

El Dorado Hills is targeted for significant proposed development. During my relatively brief residency, I became aware of the wisdom of the EDC General Plan and Specific Plans as solid foundations for controlled and well-managed growth. I hope to take a fresh look at assuring conformance with those plans and to help develop well-reasoned modifications as may be necessary to accommodate previously unknown or unanticipated events. Additionally, as a representative of the highest concentration of senior citizens, I hope to share the unique needs and expectations of this population.

---

**Additional Information**

As a retired senior, I seek to provide services to benefit the rural quality of life, vital economy, and environmental preservation. I believe strongly in community service, regardless of age or background. I hope that my contribution of skills and energy will result in balanced planning.

---

**If known, indicate the member of the Board of Supervisors who will receive a copy of this application**
