TO: Michael Baron, Senior Planner
FROM: William J. Stephans, Agricultural Commissioner/Sealer
Subject: Agriculture Preserve #11 Creason, Betty/Richard

RECEIVED
PLANNING DEPARTMENT
NOV 7 PM 2:10

Pursuant to my original memo dated October 30, 2007, we have been contacted by Alice Clary (married to Paul Clary III), owner of APN 093-032-72.

She has informed us that due to extenuating circumstances, the walnut orchards located on Agricultural Preserve #11 have not met the minimum income requirements of \$13,500 to satisfy the Williamson Act Contract. Based on this new information, it is the Department's recommendation to initiate the non-renewal of Agricultural Preserve #11.

Please call me at X5520 if we can be of further assistance in this matter.
