Yes on Shingle Springs Plan

Dear Mr. Knight,

My daughter is on the Trojans MTB Team. I drive her several times each week from Placerville to practice with her team. I ride with the team as well as an assistant coach.

A trail for the many new riders we are nurturing is essential in our area.

I support the Shingle Springs Plan and hope to have your support (as well as Jack Sweeney's) in the upcoming vote.

Thank you,

Kevin Schneider

Supervisor Knight, I would like you to consider voting yes on the "Shingle Plan" to improve the the trail east from the county line. This would be a huge benefit to the community and open up areas to people who live to the west of the county line. thank you matt johnson

Please support the plan and vote in favor of prepping the lower portion of the corridor for multi-use trails.

Good for health, good for community!
