Per transparency requirements of the Brown Act, the minutes of the 7/28/20 BOS meeting are in error and cannot be approved as posted for the following reason:

The 7/28/20 BOS virtual meeting was adjourned by Brian Veerkamp at the conclusion of agenda item #21-- **COVID-19** update by Dr. Nancy Williams. John Hidahl made an ending remark about adjourning the meeting in memory of my former co-worker, Sacramento Council Member Robbie Waters, who passed away in a nursing home of "complications" reportedly due to COVID-19. **Note the audio/video ended at 4 PM (6:58:06), and it does NOT show the CAO or any of the supervisors reporting out as mistakenly indicated in the minutes below.**

Furthermore, if Supervisor John Hidahl actually participated in the 7/27/20 Taxpayers Association virtual meeting as stated below, then he did NOT make his presence known:

**Supervisor Novasel reported on the following:**

**Brown Act Preamble:** “The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people do not yield their sovereignty to the bodies that serve them. The people insist on remaining informed to retain control over the legislative bodies they have created.”

As history teaches us, if the people have little or no knowledge of the basics of government and their rights, those who wield governmental power inevitably wield it excessively. After all, a citizenry can only hold its government accountable if it knows when the government oversteps its bounds. ~ John Whitehead ~
