

FINAL CONDITIONS OF APPROVAL

Subdivision Map Amendment TM-C22-0002/Willsey As Approved by the Board of Supervisors on October 24, 2023

Planning Services

1. This Subdivision Map Amendment approval is based upon and limited to compliance with the project description and following exhibits:

Exhibit BAmended Subdivision Map

Any deviations from the project description, exhibits, or Conditions of Approval (COA) set forth below shall be reviewed and approved by the County for conformity with this approval. Deviations may require approved changes to the permit and/or further environmental review. Deviations without the above-described approval will constitute a violation of permit approval.

The project description is as follows:

Amend recorded Subdivision Map E-072B to reduce an existing setback line from 25 feet to 0 (zero) feet.

The grading, development, use, and maintenance of the property, the size, shape, arrangement, and location of structures, parking areas and landscape areas, and the protection and preservation of resources shall conform to the project description above and the hearing exhibits and COA below. The property and any portions thereof shall be sold, leased, or financed in compliance with this project description and the approved hearing exhibits and COA hereto. All plans must be submitted for review and approval and shall be implemented as approved by the County.

2. **Project Modifications:** Building design and building placement shall be completed in conformance with the plans submitted and in conformance with the COA herein. Minor variations are allowed, however, any major changes in the location of buildings shall require Planning Services review and approval.
3. **Condition Compliance:** Prior to issuance of certificate of occupancy of a building permit or commencement of any use authorized by this permit, the applicant shall provide a written description, together with appropriate documentation, showing conformance of the project with each condition imposed as part of the project approval.
4. **Notice of Exemption Fee:** A \$50.00 administration fee is required by the El Dorado County Recorder to file the Notice of Exemption. This fee shall be made payable to El Dorado County and shall be submitted to Planning Services upon project approval.
5. **Permit Implementation:** Pursuant to Zoning Ordinance Section 130.54.060 (Time Limits, Extensions, and Permit Expiration), implementation of the project must

occur within 24 months of approval of this project, otherwise this permit shall become null and void. The applicant may request a time extension with the Planning and Building Department at least 30 days prior to permit expiration. If a timely request is filed, the County may, at its discretion, extend this time limit by not more than 36 months. It is the responsibility of the applicant to monitor the time limit and make diligent progress toward implementation of the project and compliance with conditions of approval.

6. **Legal Indemnity/Hold Harmless Agreement:** In the event of any legal action instituted by a third party challenging the validity of any provision of this approval, the developer and landowner agree to be responsible for the costs of defending such suit and shall hold County harmless from any legal fees or costs County may incur as a result of such action.

The applicant shall defend, indemnify, and hold harmless El Dorado County and its agents, officers, and employees from any claim, action, or proceeding against El Dorado County or its agents, officers, or employees to attack, set aside, void, or annul an approval by El Dorado County.

Surveyor

7. It is hereby directed that the property owners shall submit a “Certificate of Correction” effecting Subdivision E-72. The certificate shall be prepared and submitted by an appropriately licensed professional, to the County Surveyor, pursuant to the Subdivision Map Act and County Code, for review. Then upon approval by the El Dorado County Surveyor the “Certificate of Correction” shall be recorded in the El Dorado County Recorder’s Office. The property owners are responsible for all associated processing and recording fees.

Department of Transportation

8. Prior to Issuance of building permits, the applicant shall execute a hold harmless and indemnification agreement protecting the County from liability arising as a result of the approval of this setback Variance. The form of said document shall be reviewed and approved by the County Counsel, and once approved, shall be recorded with the El Dorado County Recorder’s Office. An official copy shall be sent to the Department of Transportation, South Lake Tahoe office.
