Why do you seek appointment? I have a deep love for my community and fellow man. I hope to serve in any way I am able to make an impact for the better. The wellbeing of the aging population of our County is near and dear to my heart. My Grandmother will be 100 years old on April 29th and I know the hardships and struggles that she has been through. My husbands father didn't make to that old age. He lived alone and I feel he could have possibly lived longer or at least with greater enjoyment if he had taken advantage of some of the programs in his area at that time. I hope to be a caring advocate and hold the best interest of the elderly at the forefront.
