Subject: Response to the rezoning of the Diamanté's project on Malcolm Dixon Rd.
To: <bosone@edcgov.us>

To Whom it May Concern:

We live in this area for approaching 30 years and would prefer the MINIMUM subdivision of this land to be 5 acres. Anything less will lead to traffic messes on Malcolm Dixon Rd. as well as Green Valley & Salmon Falls Rd. We also think the one acre density will remove so many oak trees for construction as to ruin one of the natural areas of El Dorado Hills. The footprints for this many homes will likely take out many, many oaks from that beautiful land.

Thank you
