**Why do you seek appointment?**

I believe my experience with libraries, including the Yolo County Library Advisory Board, provides me with the skills to participate fully with the needs of District 4's Library. My wife, Nancy, is active with the Divide Garden Club and I would also like to contribute to a local community organization.

**Additional Information**

In my short stint at FairyTale Town I was able to significantly increase attendance and revenue, with a very basic theory of involving more community groups in planning programs. My university education includes a Bachelor's Degree in Recreation Administration, Music, and Theater, completed in 1978. Further coursework in recreation and public education were attained 1979-1981.
