Dear Clerk: This afternoon I addressed the Board of Supervisors regarding my defense of a civil restraining order request brought against me by Commissioner Chris Cockrell, which was denied for the second time last Friday, April 9, 2021. I mentioned to the Board that on the same day, a Carlsbad, CA councilmember was ordered to pay \$47,191 in legal fees to members of the public who she similarly tried to restrain. I wanted to follow-up on that comment by providing the links to the story below, which includes information about further legal proceedings in that issue. I request you forward these to the County Counsel and Supervisors for their information.
