Definitions:

A-Active means selling plots, crypts or niches

I- inactive-means no new burials

AP-Interments allowed for pre-needs and family plots

Private means deeded to and taken care of by private property owner or operated by private entity such as Rural Cemetery Association, Religious organization, Fraternal Organization, or Private Corporation.

Public means managed or operated by a public entity such as a city, county or state government. (i. e., Government funds are spent or they are recognized by the county or state as public cemetery)

Managed means maintains general over-site but not necessarily day to day operation. For example, a cemetery dedicated to public use that has a sexton or Board of Directors that takes care of operations with these activities being monitored by the county cemetery administration.

Operation means said party takes care of burials, records, maintenance, i.e., day to day tasks necessary to run the cemetery.
