SUBJECT: Diamond Springs Advisory Committee

The Diamond Springs Community Park was on the agenda for The Diamond Springs Advisory Committee on September 15, 2022 for review and comments (Legistar # 22-1658). After a presentation by Dudek the committee and the public had a discussion on the parks and concerns on traffic and operating in a silo. A motion was made by member Patrick Klein:

In concept we are in support of this project with the idea that there is an emphasis placed on addressing not being in a silo and moving forward on a solution towards traffic circulation.

Motion was seconded by member Gloyd "Bud" Zeller
