Subject: Letter of Interest – MFPD Board Position

Dear Members of the Board,

I am writing this letter to express my sincere interest in serving on the Mosquito Fire Protection – Station 75 Board of Directors. As a committed resident of our community, I value the sense of connection, safety, and pride we share, and I believe my skills and dedication can help strengthen these qualities even further. As a strong supporter of our local fire services, I am deeply committed to ensuring the safety, preparedness, and resilience of our community.

My background in church leadership, community volunteer work, and business management in health care and the service industry, has equipped me with the skills to contribute meaningfully to board discussions, strategic planning, and community outreach. I value collaboration, transparency, and fiscal responsibility, and I believe these qualities align with the department's mission. I bring both practical expertise and a collaborative mindset.

I am particularly passionate about bringing the community back to a state of harmony amongst all supporting groups while upholding the policy that is required to govern the Mosquito Fire Protection District. I would be honored to work alongside fellow board members to strengthen the department's impact and ensure it continues to meet the evolving needs of our residents with open communication and ensuring responsible budgeting.

Thank you for considering my application. I welcome the opportunity to discuss how my experience and dedication can serve the Mosquito Fire Protection District and our community.

Truly yours,
