Suzanne:

I would like to request a continuance of Item 10-0759 regarding revisions to the Board of Supervisors Policy Manual. I originally intended to bring this item to the Board of Supervisors at their August 3 meeting, but it was continued to August 17. A scheduling conflict has recently emerged for the morning of August 17. Also, I will most likely be attending the Multi-Agency Disaster Planning meeting the following Tuesday, August 24. If possible, I would request that this item be continued to September 14.

Sincerely,

Mike Applegarth
