

## JABG FEDERAL PERFORMANCE MEASURES FOR ANNUAL DIRECT-ALLOCATION GRANTEES

The mandatory federal performance measures fall into one of two program categories. Mark the check box below that corresponds to the category that best describes your project focus: category 1 – direct service programs or category 2 – system change programs. In a case where project funding falls into both categories, grantees must report on measures for both categories and should therefore mark both boxes. The data to be collected and reported quarterly by the grantee is detailed in the Reporting Format column; all data outlined within each category are mandatory. Insert the name of the applicant and implementing agency in the spaces provided at the end of this document. Submit this document to the Corrections Standards Authority.
