Good morning,

We own property in Meyers and are in receipt of your Notice of Public Hearing on Sept 8, 2022 regarding a Cannabis Use Permit and our family supports it although we do not use cannabis.

Embarc has proven their commitment to giving back to the community through the Boys and Girls Club. They generate donations and income for the community and support the wellbeing of everyone.

They have a good clean track record and the proposed building location is clean and well kept, and wainscoted with Tahoe area quarried rock from a local ranch.

The landlord of the proposed location is a respected lifetime Tahoe resident with integrity and his family has been a part of the Meyers/Tahoe community for 4 generations.

This business fits the Meyers Area Plan and especially fulfills its vision statement by supporting a diverse commercial environment and it values sustainability, health, well being and the natural environment.

Please support this project at the hearing on Sept 8.

Respectfully,
JR Richmond
