

**COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
(CDBG)
PROGRAM INCOME (PI) REUSE PLAN
WITH
JURISDICTIONAL CERTIFICATIONS**

This Agreement provides official notification of the Jurisdiction's PI Reuse Plan's (hereinafter, "PI Reuse Plan") approval under the State's administration of the Federal Community Development Block Grant Program (hereinafter, "CDBG" or "the Program") for Non-entitlement jurisdictions pursuant to the provisions of 42 U.S. Code (U.S.C.) 5301 et seq., 24 Code of Federal Regulations (CFR) Part 570, Subpart I, and 25 California Code of Regulations (CCR), Sections 7050 et seq. The Program is listed in the Catalog of Federal Domestic Assistance as 14.228 - CDBG Community Development Block Grant Program.

By completing this PI Reuse Plan and signing the end of this document, the Authorized Representative certifies the Jurisdiction has read, understands and will adhere to the Program Income (PI) Reuse Plan detailed in the first section of this document, the PI definitions and rules in the second section of this document, and Department of Housing and Community Development (the Department herein) terms and conditions in the third section of this document.

SECTION ONE: PROGRAM INCOME (PI) REUSE PLAN

JURISDICTION: County of El Dorado

GOVERNING BODY ADOPTED ON: _____

This PI Reuse plan establishes policies and procedures for the administration and utilization of PI received as a direct result of eligible activities funded under the State of California CDBG Program (Department). All revenue received from CDBG funded activities are required to be used per this adopted plan.

DISTRIBUTION OF PROGRAM INCOME

Introduction: There are six (6) methods of distribution for PI listed below. The four (4) non-Revolving Loan Account obligation methods are optional and can be used on a case-by-case basis as needed for activity funding by the Jurisdiction.

The use of one or more Revolving Loan Account (RLA) is mandatory under this adopted PI Reuse Plan.

The County of El Dorado certifies that PI will only be distributed, as follows:

1. **Deposit into Revolving Loan Accounts (RLAs)**

The following RLAs are hereby established to utilize the _____ County of El Dorado _____ PI. *If an RLA activity is not going to be utilized, zero percent (0%) is to be indicated in percentage area below.* One or more of the RLAs will be utilized annually. The allocation of receipted PI to each RLA is as follows:

- A. 40% (*insert percentage, 0 to 100 percent (0%-100%)*) of PI received will be deposited into the **Housing Rehabilitation – Single Family (1-4 Units) Revolving Loan Account (HR-RLA)**.
- B. 60% (*insert percentage, 0 to 100 percent (0%-100%)*) of PI received will be deposited into the **Homeownership Assistance Revolving Loan Account (HA-RLA)**.
- C. 0% (*insert percentage, 0 to 100 percent (0%-100%)*) of PI received will be deposited into the **Business Assistance Revolving Loan Account (BA-RLA)**.
- D. 0% (*insert percentage, 0 to 100 percent (0%-100%)*) of Receipted PI will be deposited into the **Microenterprise Financial Assistance Revolving Loan Account (ME-RLA)**.

2. **PI Waiver Activity**

The _____ County of El Dorado _____ may utilize the Department's PI Waiver process to commit PI to eligible activities that are not considered RLAs. The _____ County of El Dorado _____ will follow all PI Waiver procedural requirements as stated in the Program Income chapter of the Grant Management Manual (GMM). The _____ County of El Dorado _____ will obtain prior Department approval before expending any PI funds on a Waiver project. A PI Waiver project can only be approved if the total project/program cost for the proposed activity is on hand in the Jurisdiction's PI account. The _____ County of El Dorado _____ understands that PI Waiver activities are limited to two "active" projects and/or programs and will remain active until close out has been completed and approved by the Department.

3. **Committal to Funding Application**

The _____ County of El Dorado _____ may choose to commit non-obligated RLA funds to one or more activities in an annual CDBG application for funding. Committed PI can only be expended when application and activities with committed PI are awarded, contracted, and have all special conditions cleared. PI committed to an application for grant funding must have the PI on hand at the time of application submittal and may not remove or add to the PI amount committed without prior Department approval.

4. **Augmenting Funding to An Awarded Activity/Project**

County of El Dorado may request that the Department allow PI to be added to a funded activity/project due to a funding short fall. To obtain Department approval, the County of El Dorado will submit justification to their CDBG Representative outlining in detail the need/reason for the augmentation of funding.

If the Department approves the augmentation (requires a Department contract amendment) the County of El Dorado would need to complete a Citizen Participation process before the Department would begin a contract amendment process.

This option only applies to awarded activities/projects and the Department will not approve adding a new activity to an awarded contract.

5. **Fund Program Income General Administration (PI GA) Activities**

The County of El Dorado may set aside up to seventeen percent (17%) of PI received from activities funded with CDBG funds for payment of eligible General Administration costs. The County of El Dorado may choose to move the PI GA to eligible CDBG activities, as noted above, but once the funds are removed from the PI GA account they cannot be put back at a later date.

6. **Return to the Department**

The County of El Dorado has the option to return PI back to the Department.

ADMINISTRATIVE PROCESS FOR DISTRIBUTION OF PROGRAM INCOME

Introduction: CDBG is a federal funding source and requires a Citizen Participation process as part of utilizing any of the six (6) methods of distribution for PI listed above.

Below is a general description of how to conduct proper Citizen Participation process for each of the six (6) distribution methods. See the Department's current Grant Management Manual (GMM) Chapter on Citizen Participation for specific information and sample documents.

County of El Dorado certifies that:

1. The PI Reuse Plan will be formally adopted via public hearing and resolution of County of El Dorado's Governing Body, executed by Authorized Representative and fully executed by the Department. After the PI Reuse Plan is executed, the Jurisdiction reserves the right to set aside up to seventeen percent (17%) of PI received for payment of eligible GA costs. RLA activities which have PI funds being deposited into them may be activated with written Departmental approval.

The PI Reuse Plan may be amended by the County of El Dorado's Governing Body to change the distribution percentages in a RLA via public hearing and resolution, and receipt of the Department's written approval.

2. All PI Waiver requests will be submitted for the Department's written approval. After the Department's review of the activity for Eligibility and National Objective compliance, the PI Waiver will be formally adopted via public hearing and resolution of the County of El Dorado's Governing Body, as part of the PI Waiver Special Condition Clearance process.
3. PI committed to an open CDBG Contract to augment funding for an activity or committed to a pending application for grant funds will be formally adopted via public hearing and approval via resolution for an annual application submittal. Department approval and PI must be on hand.
4. Once a PI Reuse Plan has been executed by the Department, it is then in effect. GA PI funds can then be expended for eligible costs. GA PI funds will not be expended once the Reuse Plan is terminated by either party or the Reuse Plan has reached the 5 year expiration.
5. PI will be returned to the Department after a public hearing and formal resolution is passed by the County of El Dorado's Governing Body.
6. Each of the above administrative processes must be in compliance with the CDBG Citizen Participation process as specified in federal regulations at 24 CFR 570.486, Local Government Requirements.

ADMINISTRATION OF ELIGIBLE ACTIVITIES AFTER DISTRIBUTION

Introduction: Administration of all CDBG eligible activities conducted under the distribution methods must be conducted in compliance with all current State and federal regulations and policies.

The County of El Dorado will follow the Department's guidance for administering RLA activities, PI Waiver activities, or activities funded with PI committed to an open grant contract per the Department's current GMM Chapter regarding PI.

If ineligible activities or costs are paid for with CDBG PI, those funds must be returned to the County of El Dorado PI account using local jurisdiction funds.

1. RLA Administration

The County of El Dorado certifies that the four RLAs under this PI Reuse Plan will be administered under the following criteria:

- A. RLAs with a balance must be "**substantially revolving**," which means on an annual basis at least 60 percent (60%) of the funds in an RLA must be used for loans which will be repaid to a PI account, based on the distribution noted in this plan. Up to the remaining 40 percent (40%) may be expended on non-revolving activities, which include Activity Delivery (AD), and grants for the same activity as the RLA.

Note: General Administration costs are not considered part of the jurisdiction's RLA Activities and should not be used in the consideration of "substantially revolving".

- B. A RLA which is the same activity as any funded open grant activity will be "substantially expended" before grant funds are requested for the grant activity.

The Department considers "**substantially expended**", to mean having no more than \$5,000 in a RLA.

- C. PI funds shall not be transferred between RLAs after execution of this Plan without following the proper CDBG Citizen Participation process, which includes a public hearing resulting in a certified resolution being submitted to the Department for written approval. However, the transfer of PI between RLAs each fiscal year, in the aggregate amount of \$5,000 or less, is not be subject to the Citizen Participation requirement, as stated above; but does require prior written Department approval.

- D. All PI funded activities shall be provided to project activities located within the boundaries of the County of El Dorado.

If an additional jurisdiction(s) receives benefit, a Joint Power's Agreement (JPA) between Jurisdictions(s) is required. The County of El Dorado must receive written approval from the Department prior to implementation and prior to parties' execution of the JPA between the parties.

- E. The County of El Dorado will submit program guidelines specific to each RLA activity for written Department approval. Once approval is issued to the Jurisdiction, the RLA will then be deemed active.

- F. This PI Reuse Plan will not be executed by the Department until all RLAs have clear distribution percentages listed above, and have Department approved program guidelines.

All CDBG PI Reuse Plans are limited to a five (5) year term from the date of execution.

PI funds within an RLA cannot be expended until this PI Reuse Plan is executed.

- G. Reporting on RLAs and other PI Activities will be required per the Department's current policies, including financial accounting of PI received and expended for RLAs and other PI Activities. Additionally, PI performance (National Objective data and beneficiary demographics) reported as HUD required accomplishment information will be required to be submitted in a timely manner or the Jurisdiction understands that it will be required to repay a PI account for ineligible cost or activities.

- H. AD costs are **only eligible** if one or more projects are funded and accomplishments (such as beneficiaries), for those activity(ies), on an annual basis, are reported on.

2. **Eligible RLA Activities**

The four (4) RLA(s) listed below each have a single eligible CDBG program activity. The County of El Dorado certifies that all CDBG rules pertaining to each eligible activity will be followed.

A. **Housing Rehabilitation Revolving Loan Account**

The CDBG eligible activity under this RLA is a single-family housing rehabilitation program. The program will be used for the purpose of making loans to rehabilitate residential units (1-4 units), occupied by income eligible households. The CDBG National Objective of benefit to Low/Moderate-income (Low/Mod) households will be met by limiting program participants to households that have an annual income at or below eighty percent (80%) of HUD median income limits for the County of El Dorado 's **county**. Households will be income qualified based on the income calculation method specified in 24 CFR Part 5, and in accord with the Department's Income Manual.

Rehabilitation of "projects" (projects with five (5) or more units on one site) is not allowed under this RLA. Projects with five or more units must be funded via the annual grant process or through the PI Waiver process.

Jurisdictions wishing to include tenant occupied projects for the Housing Rehabilitation program must submit separate (distinguishable from the Owner Occupied Housing Rehabilitation guidelines) guidelines outlining the unique tenant occupied rules and processes.

The review and funding of requests for CDBG loans or grant assistance under this RLA shall be conducted under the Housing Rehabilitation Program Guidelines that have been adopted by County of El Dorado and approved in writing by the Department.

No more than 19 percent (19%) of program funds expended from this RLA shall be used for AD costs.

B. **Homeownership Assistance (Homebuyer) Revolving Loan Account**

The CDBG eligible activity under this RLA is acquisition of single family housing. The program will be used for the purpose of making loans to assist income eligible homebuyers to purchase a residential property (1-4 units). The CDBG National Objective of benefit to Low/Mod-income households will be met by limiting program participants to households that have an annual income at or below eighty percent (80%) of HUD median income limits. Households will be income qualified based on income calculation method specified in 24 CFR Part 5 and in accord with the Department's Income Manual.

The review and funding of requests for CDBG loans or grant assistance under this RLA shall be conducted under the Homeownership Assistance Program Guidelines that have been adopted by the County of El Dorado and approved in writing by the Department.

No more than 8 percent (8%) of the funds expended from this RLA shall be used for AD costs.

C. Business Assistance Revolving Loan Account

The CDBG eligible activity of Special Economic Development will be conducted under this RLA. Specifically, the RLA will fund a business assistance program that provides direct financial assistance for eligible businesses that propose projects which create or retain permanent jobs. The CDBG National Objective being met by the Special Economic Development activity will typically be benefit to Low/Mod-income persons. As such, at least fifty one percent (51%) of the full time job positions created or retained will be made available to persons whose households have an annual income at or below 80 percent (80%) or less of the County of El Dorado's **county** median income. Income eligibility is based on the income calculation method specified in 24 CFR Part 5, and in accord with the Department's Income Manual.

Business assistance projects under this RLA program may also meet the National Objective of elimination of slums and blight, but this must be approved by the Department in writing as part of the initial business's loan application.

Local review and underwriting of business assistance projects requesting a CDBG loan under this RLA shall be conducted under the Business Assistance Program Guidelines that have been adopted by County of El Dorado and approved in writing by the Department.

Each individual project funding request made under this RLA program must be submitted for Department review and written approval, prior to closing the loan.

No more than 15 percent (15%) of the total funds expended for business assistance activities shall be used for AD costs.

D. Microenterprise Assistance Revolving Loan Account

The CDBG eligible activity of direct financial assistant to eligible microenterprise businesses will be conducted under this RLA. Specifically, the RLA will fund a microenterprise direct financial assistance program that provides financial assistance to start up or existing microenterprise businesses. Eligible businesses must meet the HUD definition of microenterprise. A microenterprise is defined as a business that has five (5) or fewer employees including the owner(s). The only CDBG National Objective which will be used for this activity is benefit to Low/Mod-income households. As such, micro business owners assisted

under this program must be documented as having an annual household income at or below 80 percent (80%) of the Jurisdiction's **county** median income, based on income calculation method specified in 24 CFR Part 5, and in accord with the Department's Income Manual.

Local review and underwriting of microenterprise business assistance projects requesting a CDBG loan or grant under this RLA shall be conducted under the Microenterprise Financial Assistance Program Guidelines that have been adopted by the County of El Dorado and approved in writing by the Department.

Each individual project funding request made under this RLA program must be submitted for Department review and written approval, prior to closing the loan.

No more than 15 percent (15%) of the total funds expended for business assistance activities shall be used for AD costs.

3. Administration of Non-RLA Program Income Expenditures

A. Program Income Waiver Eligible Activities

County of El Dorado certifies that the PI Waiver Submission Process below will be followed if a PI Waiver is to be requested:

- 1) This process will involve discussion at a properly noticed public hearing, held in front of the County of El Dorado's Governing Body, and submission of a Certified Resolution as part of a PI Waiver Request to the Department, in accordance with current Department policy, and any subsequent policy, regulation, or statutory-guidance, in writing, from The Department.
- 2) Final commitment and expenditure of PI Waiver funds will not commence until clearance of all required Special Conditions have been met, and written Department approval has been issued to the County of El Dorado.
- 3) Reporting on PI Waiver activities will take place per current Departmental policies and include financial accounting of PI received and expended for PI Waivers and PI Waiver activity performance.
- 4) PI Waiver activities must be fully funded with program income already on hand. Therefore, future PI may not be pledged to the PI Waiver activity.
- 5) Only two (2) PI Waiver agreements may be open and active at any one time.

B. Program Income Committed in an Annual Grant Application and Included in an Open Grant Agreement

If more funds are expended than what is available in PI GA, the Jurisdiction will be required to return the over-expended GA amount back into their PI Account. ***Additionally, any ineligible PI GA costs will also be required to be returned to their PI Account.***

GA eligible costs for PI are the same as open grant agreements with the Department. See the current CDBG Grant Management Manual (GMM) for list of eligible activities and allowable costs.

PI GA activity costs will be reflected on fiscal reports submitted to the Department as per current reporting forms and policies.

A. Planning Activities

The County of El Dorado reserves the option of utilizing PI, within the 17 percent (17%) PI GA annual cap to fund planning studies for CDBG eligible activities.

All proposed planning activities must receive written Department approval prior to expending PI on the activity.

Eligible planning activities funded with PI are the same as open grant agreements with the Department. See current NOFA for a list of eligible planning studies.

All planning activities must have a final product (report or study) resulting from the expenditure of PI.

Upon completion of the planning activity, the study must be formally accepted by the Jurisdiction and submitted to the Department for review.

The planning activity costs will be reflected on fiscal reports submitted to the Department.

B. Loan Portfolio and Asset Management Policies and Costs

The County of El Dorado certifies that it has asset management policies and loan portfolio servicing policies that are in compliance with HUD standards per 24 CFR Part 570. The use of CDBG funds creates public financial assets. The public financial assets created can be in the form of loans or other repayment instruments which result in PI. Financial assets may also be in the form of real property or chattel (equipment and fixtures). All assets created from the use of CDBG funds must be administered in compliance with OMB Circulars A-87, A-122 A-133, 24 CFR Part 85.

Loan payment tracking and collection systems must be put in place for collection purposes of all loans funded with CDBG. In addition, loan servicing policies and procedures must be in place to service the loan assets, ensuring repayment.

Costs of managing the portfolio of CDBG funded loans may be charged to PI under GA within the allowable limits set by the Department.

SECTION TWO: JURISDICTION ASSERTIONS AND CERTIFICATIONS

1. Requirements of Program Income

The PI Reuse Plan is intended to satisfy the requirements specified in federal statute and regulation at Section 104(j) of the Housing and Community Development Act ("the Act"), as amended in 1992 and 24 CFR 570.489(e) and (f). These statutory and regulatory sections permit a unit of local government to retain PI for CDBG-eligible community development activities. Under federal guidelines adopted by the State of California's CDBG Program, local governments are permitted to retain PI as long as the local government has received advance approval from the State of a local plan that will govern the expenditure of the PI. This plan has been developed to meet that requirement.

County of El Dorado certifies that their PI will be used to fund eligible CDBG activities that meet a National Objective and any public benefit requirements. Eligible activities, National Objective and public benefit requirements are specified in Federal Statute at Sections 104(b), 105(a) of The Housing and Community Development Act of 1974, and in Federal Regulations at 24 CFR 570.482 and 24 CFR 570.483. The Jurisdiction understands, if it is determined that an activity/project funded with PI that does not meet a National Objective and/or meet the public benefit requirement, the Jurisdiction will be required to use its own local funds to repay the PI Account.

2. Definition of Program Income

"Program Income" means gross income earned by the Jurisdiction from grant-funded activities and is subject to CDBG regulatory requirements pursuant to 24 CFR, Part 570.489(e) - Program Administrative Requirements as amended in the CDBG Final Rule, 24 CFR, Part 570.504 - Program Income, 24 CFR Part 85 – Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments, and OMB Circulars A-87 and A-122 as applicable. These regulations include the requirement that the Jurisdiction record the receipt and expenditure of PI as part of the financial transactions of the grant activity(ies).

For activities generating PI that are only partially funded with CDBG funds, such income is prorated to reflect the actual percentage of CDBG participation. Examples of PI include but are not limited to: payments of principal and interest on housing rehabilitation or business loans made using CDBG funds; interest earned on PI pending its disposition; interest earned on funds that have been placed in a revolving loan account; net proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG funds; and, income (net of costs that are incidental to the generation of the income) from the use or rental of real property that has been acquired, constructed or improved with CDBG funds and that is owned (in whole or in part) by the participating jurisdiction or sub-recipient.

3. Federal Nature of Program Income

County of El Dorado certifies that per 24 CFR 570.489(e)(2)(i), as amended in the CDBG Final Rule May 23, 2012, all PI received through a RLA, will be counted as PI regardless of the amount, and all PI generated through an open grant that is \$35,000 or less may either be:

- A. Counted and reported as PI, allowing the Jurisdiction to include that amount in its PI GA (17%) calculation; or,
- B. Not counted as PI and reported as such, which “de-federalizes” the funds, and allows them to be deposited into the Jurisdiction’s General Fund. Supporting accounting records and documentation must be in the Jurisdiction’s file to substantiate the calculations reported.

If PI is generated from a loan that is made partially from a RLA and partially from another source, then the PI accounting and reporting must reflect the correct amounts and proportions of PI from the RLA (counted and reported as PI Income) versus the amount generated from the other source, which may be accounted for and reported using either of the methods above.

4. Definition of Excessive Program Income

County of El Dorado certifies that if there is excessive PI (\$500,000 or more), which includes GA, at the end of the fiscal year they will be required to submit a plan (included in the Reporting form) for expending the funds to the Department for review and approval. The County of El Dorado understands that if no plan is submitted, or the plan is not approved by the Department, it risks having to return the PI to the Department. The County of El Dorado agrees to use the Semi Annual PI Report forms to describe the reason(s) for the excessive amount and the method(s)/plan(s)/reason(s) the County of El Dorado will use to reduce the amount over the coming year.

Should the Jurisdiction choose to ‘accumulate’ PI to fund a project that will cost more than \$500,000, the Jurisdiction must identify the project in their Semi Annual PI Report form with a detailed narrative about the project and the expected timing for the project to start and complete, with completion including the meeting of a national objective. Approval of a PI balance above \$500,000 will be made on a case-by-case basis.

5. Reporting of Program Income

County of El Dorado certifies that CDBG PI will be accounted for using the Department’s fiscal year (July 1 to June 30). All receipts and expenditures of PI in accordance with this PI Reuse Plan will be monitored and reported per the Department’s fiscal year cycle. County of El Dorado certifies that they will report using the Department’s reports/forms and will submit them in a timely manner.

6. Duration of This Program Income Reuse Plan

County of El Dorado and the Jurisdiction's Governing Body understand that this document is effective for five (5) years from the execution date by the authorized CDBG representative listed in this Agreement unless otherwise notified by the Department.. The Department has the Authority to void the Agreement with notice for cause.

7. Status of Program Income Upon Leaving State Non-Entitlement CDBG Program and Entering the CDBG Entitlement Program

County of El Dorado certifies that the Jurisdiction's Governing Body may move the PI earned under the State program to the Entitlement Program if/when the Jurisdiction is authorized and chooses to participate in the CDBG Entitlement Program provided the Jurisdiction's Governing Body certifies that the County of El Dorado has:

- A. Officially elected to participate in the Entitlement Grant Program;
- B. Agrees to use such PI in accordance with Entitlement Program requirements; and,
- C. Sets up Integrated Disbursement Information System (IDIS) access and agrees to enter receipt of PI into IDIS.
- D. The County of El Dorado submits the above to the State and receives the Department's approval to no longer report State CDBG PI to the Department.

8. Status of Program Income Upon Entering the State Non-Entitlement CDBG Program from the Entitlement CDBG Program

County of El Dorado certifies that the Jurisdiction's Governing Body will inform the Department in writing of the Jurisdiction's decision to either:

- A. Retain program income generated under Entitlement grants and continue to comply with Entitlement program requirements for program income; or
- B. Retain the program income and transfer it to the State CDBG program, in which case the Jurisdiction will certify that it will comply with the state's rules for program income and the requirements of 24 CFR 570.489(e) and (f).

9. Amendment of PI Reuse Plan

County of El Dorado certifies that it will adopt and submit for Department written approval a new version of this plan as updates are released by the Department.

In order for an activity to meet the National Objective of elimination of slums and blight, the activity must take place in an area that meets the definition of a blighted area and the project must be shown to eliminate blight or prevent further blight per Federal Regulation 24 CFR, Part 570.483(c).
