Good Morning Cindy--

I spoke with Hal Erpenbeck yesterday at the Commission on Aging meeting. He confirmed that he still resides in District 1 and would like to be reappointed.

Subject Re: Aging Commission

Hi Cindy--

Sharon Balch would like to be reappointed as Member-at-Large.

Norm Smith would also like to be reappointed to District 2 representative.

Hal Erpenbeck was the representative for District 1. I am sure that he would like to continue as well. At one point he was concerned that after the districts were redrawn, he may no longer live in District 1. Is there a way to check? The Commission on Aging only has one member-at-large position available.

Yasmin,

I am preparing the Board's January 2012 appointments, and I need to find out from you if you would like to reappoint these three people on the Aging Commission. Also, I need to know if there are any other vacancies on this commission that I am unaware of. I have attached the names of the three members that have terms that are going to expire in January.

WEIGHTS AND MEASURES

INTER OFFICE MEMORANDUM

2011 NOV 21 PM 2:28

RECEIVED
BOARD OF SUPERVISORS
EL DORADO COUNTY

November 21, 2011

To: Cindy Johnson, Board of Supervisors

FROM: Charlene Carveth, Acting Agriculture Commissioner/Sealer of Weights & Measures
cc

SUBJECT: Agricultural Commission appointment for January 2012 Board Meeting

The Agricultural Commission is comprised of seven members, not officials of the county, appointed by the Board of Supervisors, representing the following industries: Forestry/Related (1), Livestock (2), Fruit and Nut Farming (2), Agricultural Processing (1), and Other Agricultural Interests (1).

In accordance with Agricultural Commission Bylaws adopted by the Board of Supervisors on August 31, 2004, a Notice of Terms of Office Expiration was submitted to the local newspapers and to county agricultural organizations. In addition, an independent Review Panel comprised of industry representatives as identified in the Agricultural Commission By-Laws § 4(a), was scheduled to meet on December 5, 2011, to review applications and interview candidates. The two positions that were up for re-appointment were Agricultural Processing Industry and Forestry/Related Industries. Applications were required to be submitted by close of business November 18, 2011. As a result of the notifications, the incumbents were the only members to apply thus revoking the necessity for convening the review panel.

It is my recommendation to the Board of Supervisors to re-appoint Greg Boeger to represent the Agricultural Processing Industry and re-appoint Bill Draper to represent the Forestry/Related Industries on the County of El Dorado Agricultural Commission for a four (4) year term beginning January, 2012.

Following the Board's action to re-appoint Greg Boeger and Bill Draper, with terms (January 2012 to January 2016) beginning at the regularly scheduled Agricultural Commission meeting of January 11, 2012.

I am still waiting to hear from Frank Clark and Suzi Mickus . They will most likely say yes. All the others except Joseph Noel have said they would like to return . Mr. Noel has not been to a committee meeting for almost two years and has not responded to my inquiries so we will not be recommending him for the committee again. This leaves the Fraternal Organization representative open for a new member. Also in talking to other members of the committee it is generally agreed that we do not need an Alternate Native American representative since Ramona is always in attendance and has not asked for one.

2011 DEC 27 AM 11:35

Clerk of the Board of Supervisors
County Government Center
330 Fair Lane
Placerville, CA 95667

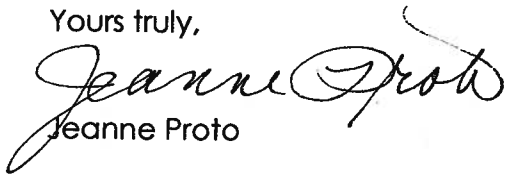

Dear Clerk of the Board of Supervisors:

I am submitting this application with my resume for consideration as a member of the Cemetery Board for South Lake Tahoe, California.

I have served as a Trustee member of a Homeowners' Association, a Planning Commissioner, a Board of Appeals member and Chair, and as a City Councilwoman over a period of 17 years. I would be a helpful and constructive addition to the Cemetery Board. Since October 1994, I have lived and worked in South Lake Tahoe and consider myself fortunate to reside here. I retired from Lake Tahoe Community College in 2007 and now have the time necessary to devote to my community. I enjoy researching projects, brainstorming ideas, and working in a team atmosphere. My experience in overseeing budgets in an effective and responsible manner while managing federal grant funds has been a high point in my career. I would consider it an honor to lend my voice to the Cemetery Board.

You may reach me at _____, you have questions or wish to schedule an interview. I look forward to hearing from you.

Yours truly,

Jeanne Proto
