applied on a case-by-case basis and does not set a precedent for future policy unless it has been formally adopted by the Board of Supervisors.

- I. This policy does not apply to meal or travel costs related to inmates, juvenile wards, or Health and Human Services clients. Such costs may be authorized at the department head's discretion and claimed through normal claiming procedures.

II. Authorization to Travel

A. General Conditions

1. Except as otherwise provided in this policy, advance authorization is required for travel.
2. Where department head approval is required, that approval may not be delegated unless specifically stated.
 - (a) Annually, at the beginning of the fiscal year, each department shall provide the CAO and Auditor-Controller with a list of employees who are authorized to approve travel requests, and shall inform both offices of any changes to the list throughout the year.
3. Travel by non-County personnel, excluding volunteers, must be approved by the department head responsible for the expense. Travel by volunteers may be authorized in the same manner as travel by County employees.

B. In-County Travel

1. No specific written advance approval is required for in-County travel for activities that are considered a part of the routine, day-to-day operations of the department, as defined and authorized by the department head or designee, and in-County travel which does not require overnight lodging.
2. In-county overnight travel requires advance written authorization by the department head or designee.

C. Out-of-County Travel

1. All overnight travel outside of the County by anyone except members of the Board of Supervisors and the Board Members' immediate staff requires advance written authorization by the

head or designee, may be reimbursed subject to the following:

- (a) Travel by private vehicle will be reimbursed at the IRS rate for business use of a personal vehicle in effect in the County at the time of travel. This mileage reimbursement rate shall be considered to be full reimbursement for all costs in use of the private vehicle, except for reasonable costs for snow chain installation and removal.
- (b) If air travel would be less costly but the County Traveler prefers to drive, the County will reimburse the traveler for transportation costs equal to what the cost of air travel would have been, including airfare, shuttle, car rental, mileage to the airport, and other costs determined to be reasonable by the department head or designee; transportation costs over and above that amount, as well as any extra days of lodging, meals and incidentals incurred as a result of the decision to drive will be considered a personal, not reimbursable cost of the traveler.
- (c) Authorized travelers may not claim mileage for business use of a private vehicle in the following instances:
 1. When the traveler is riding with someone who will be claiming reimbursement for the vehicle's use from the County or another source;
 2. When the traveler has been assigned a County Vehicle for home retention (excluding law enforcement vehicles, whether marked or unmarked), or is receiving an allowance or lump sum for mileage, unless specifically provided for in the terms of their agreement or contract with the County or by Board resolution.
- (d) County employee mileage to the regular place of work from home, and back, is considered commuting and may not be claimed.
- (e) County employee mileage to a temporary work location from home, and back, is considered commuting and may not be claimed except in the following cases:

- (b) Vehicles may be rented for transportation to the destination point when the cost of the rental will be less than other reasonable and available modes of transportation.
 - (c) If more than one traveler from the same department is traveling to the same function, only as many rental vehicles as are needed to accommodate all travelers may be claimed.
 - (d) The traveler shall choose the least expensive size and mileage limits appropriate to the use required, as determined by the department head or designee. Rental cars shall be refueled prior to return to the rental agency to reduce cost to the County, except when the traveler is escorting a person who is under County supervision by an employee of the Sheriff's Office, the District Attorney's Office, the Public Defender's Office, the Probation Department, or Health and Human Services Agency
 - (e) Rental cars shall be returned to the renting location and on time to avoid additional charges.
 - (f) The traveler shall waive additional vehicle insurance provided by the rental company.
4. Commercial Carrier Transportation
- (a) Travelers shall seek and attempt to use the lowest rates available for the type of commercial carrier service being utilized. Whenever possible, travelers should take advantage of flight arrangements that minimize County cost (for example, purchasing a round trip ticket may be less expensive than two one-way tickets). No reimbursement will be provided for travel agent fees, unless the use of such services is a requirement to conduct County business.
 - (b) Claims for travel via commercial carrier shall be limited to the actual cost of travel at economy rates. A traveler may upgrade a ticket; however, the difference in cost for such upgrade, including upgrades to allow early check-in, is the responsibility of the traveler. The County will not reimburse any type of travel insurance unless the department head requests the traveler to purchase cancellation coverage. Reasonable baggage charges, if imposed by the airline, on the first checked bag are reimbursable. The department head or designee may authorize additional baggage fees when employees are required to travel with equipment that is required to perform their duties, and which must be checked.

6. Reimbursement rates for individual meals shall be at the individual meal rate for that individual meal as established by the GSA.
7. Reimbursement may exceed the prescribed individual meal rate if the meal is being served as a part of the authorized event and the cost of the meal is itemized separately from the event's registration or attendance fees. For example, the registration fee for a multi-day conference includes lunches but an optional dinner is offered on one night at an additional cost.
8. Reimbursement may exceed the prescribed individual meal rate when a group meal is provided, and when approved by the department head or designee. Examples include meals provided to Search and Rescue volunteers working on a mission or training exercise and meals provided to emergency workers.
9. Unless specifically approved by the department head or designee, a traveler may not claim reimbursement for any meal which is provided, or otherwise available, to the traveler as part of the function, whether or not there is an actual charge for the meal. For example, if lunch is provided at the function, the traveler may not claim a per diem allowance or request reimbursement for eating elsewhere. Receipts will be required for reimbursement of alternate meals authorized by the department head or designee. For purposes of this section, continental breakfast and breakfast included in lodging rates and meals provided during airline or other commercial carrier travel do not constitute provided meals and shall not be deducted from the per diem allowance.
10. A traveler may not claim reimbursement for a meal that was paid for by someone else.
11. As required by California Government Code 53232.2 Board of Supervisors members must provide receipts for all meals and will be reimbursed at the appropriate per diem amount or the actual expense, whichever is less.

V. Lodging Expenses

A. Eligibility for Lodging

1. Travelers are not eligible to claim reimbursement for lodging for in-County travel, unless authorized by a department head or designee when assigned activities require the traveler to

"no-show" hotel charges unless there are unavoidable reasons for not canceling the room and the department head has determined that the reasons are valid.

VI. Advance Payments

After travel has been authorized, departments are encouraged to pre-pay expenses, to the extent feasible, using a County credit card, and to provide travelers with County credit cards (subject to credit card use policy) when traveling; however, when this option is not available or practical, an advance may be requested.

- A. The Auditor may provide advance funds for estimated "out of pocket" expenses up to seventy-five percent (75%) Advances will not be issued in amounts less than \$100 or more than \$1,000. The "out of pocket" expenses may include per diem allowances, individual meals, taxi and public transportation, lodging, parking, and registration costs, but does not include mileage reimbursement for the use of a personal vehicle.
- B. A County credit card may not be used for expenses for which the traveler has received an advance.

VII. Actual Travel Costs Exceeding Estimates

When actual travel costs exceed the estimated costs by more than 2% or \$10.00, whichever is greater, the payment must be approved by the original approving authority

VIII. Compliance and Claim Processing

- A. It is the responsibility of the claimant to understand and follow all policies and procedures herein in order to receive reimbursement for mileage, travel, and expense claims. The failure to properly complete any form or follow any policy or procedure may result in the return of a claim without reimbursement.
- B. Requests for travel authorization and reimbursement shall be processed using forms specified by the County Auditor-Controller and Chief Administrative Office.
- C. Department Heads are responsible for ensuring that claims for reimbursement are submitted to the Auditor-Controller's Office in a timely fashion, preferably within 30 days following completion of the travel.

Exhibit A - Scope of Work

FRASIER GROUP INVESTIGATIONS (FGI) will conduct pre-employment background investigation services for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT on sworn, non-sworn, part-time and administrative personnel at their request. FGI will supply all required forms to prospective applicants to conduct the background investigations on applicants for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT.

FGI will provide Personal History Statements, Drug Use Questionnaires, Pre-employment Questionnaires, Releases of Information and other required forms to the applicants for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT. Several "Levels" of Backgrounds will be available to the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT to choose from, depending on the type of applicant they intend to process, and the amount of time they have available for hiring the applicant (See Exhibit B). The EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT can notify FGI at the time of the background request as to the type of background they wish to conduct.

FGI background investigations include a personal interview with the applicant at their residence, or by telephone, to review all provided forms for accuracy and completeness and to obtain additional information for the Background Biography Synopsis and verification of information provided by the applicant. In situations where the applicant resides out of the area, the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT will have the option to instruct FGI to conduct the interview over the telephone, rather than in person, to avoid additional travel and/or mileage expenses at their option. (See Exhibit B).

FGI Record Check Request forms will be sent to Police and Sheriff Departments in areas where their applicants have lived, worked and/or attended school in the past and present. It is suggested by FGI that the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT conduct a parallel program, such as fingerprinting through the California DOJ, to augment the effectiveness of the background investigation. The complete FGI Pre-Employment Background Investigation will be developed for the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT to meet California Police Officer Standards and Training (POST) requirements, California Government Codes, ADA, FCRA, HIPPA and other state and federal regulations. It is strongly advised that a Client agency conduct a parallel program for *Livescan* and advise FGI of any pertinent findings.

All applicant documents will be gathered by FGI for the Client, such as birth certificate, high school and college transcripts, marriage certificates and divorce decrees, auto insurance certificate, any available traffic accident and police reports, selective service registration and/or military Form DD214, civil judgments, DMV printout, as well as two color photos of the applicant. These items will be collected from the applicant and provided to the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT upon completion. The completed investigation narrative will include current and past history regarding residential, military, financial, legal, and motor vehicle operation. The transcribed personal contacts of verification of employment and conversations with personal references will also be included. A final recommendation for hiring is not provided by FGI.

FGI will endeavor to provide the EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT with completed background investigation reports, along with all required forms and documents, within 30 calendar days of the applicant interview, unless an EXPEDITED schedule is agreed upon prior. The EL DORADO COUNTY SHERIFF'S OFFICE AND EL DORADO COUNTY PROBATION DEPARTMENT is aware that the applicant's timeliness in completing the background forms, obtaining the required personal documents and following through with interview appointments are paramount in this timetable.

A. General Conditions

1. Except as otherwise provided in this policy, advance authorization is required for travel.
2. Where department head approval is required, that approval may not be delegated unless specifically stated.

B. In-County Travel

1. No specific written advance approval is required for in-County travel for activities that are considered a part of the routine, day-to-day operations of the department, as defined and authorized by the department head or designee, and in-County travel which does not require overnight lodging.

head or designee, may be reimbursed subject to the following:

- (a) Travel by private vehicle will be reimbursed at the IRS rate for business use of a personal vehicle in effect in the County at the time of travel. This mileage reimbursement rate shall be considered to be full reimbursement for all costs in use of the private vehicle, except for reasonable costs for snow chain installation and removal.
- (b) If air travel would be less costly but the County Traveler prefers to drive, the County will reimburse the traveler for transportation costs equal to what the cost of air travel would have been, including airfare, shuttle, car rental, mileage to the airport, and other costs determined to be reasonable by the department head or designee; transportation costs over and above that amount, as well as any extra days of lodging, meals and incidentals incurred as a result of the decision to drive will be considered a personal, not reimbursable cost of the traveler.
- (c) Authorized travelers may not claim mileage for business use of a private vehicle in the following instances:
 1. When the traveler is riding with someone who will be claiming reimbursement for the vehicle's use from the County or another source;

 - (d) The traveler shall choose the least expensive size and mileage limits appropriate to the use required, as determined by the department head or designee. Rental cars shall be refueled prior to return to the rental agency to reduce cost to the County, except when the traveler is escorting a person who is under County supervision by an employee of the Sheriff's Office, the District Attorney's Office, the Public Defender's Office, the Probation Department, or Health and Human Services Agency
 - (e) Rental cars shall be returned to the renting location and on time to avoid additional charges.
 - (f) The traveler shall waive additional vehicle insurance provided by the rental company.
4. Commercial Carrier Transportation
- (a) Travelers shall seek and attempt to use the lowest rates available for the type of commercial carrier service being utilized. Whenever possible, travelers should take advantage of flight arrangements that minimize County cost (for example, purchasing a round trip ticket may be less expensive than two one-way tickets). No reimbursement will be provided for travel agent fees, unless the use of such services is a requirement to conduct County business.
 - (b) Claims for travel via commercial carrier shall be limited to the actual cost of travel at economy rates. A traveler may upgrade a ticket; however, the difference in cost for such upgrade, including upgrades to allow early check-in, is the responsibility of the traveler. The County will not reimburse any type of travel insurance unless the department head requests the traveler to purchase cancellation coverage. Reasonable baggage charges, if imposed by the airline, on the first checked bag are reimbursable. The department head or designee may authorize additional baggage fees when employees are required to travel with equipment that is required to perform their duties, and which must be checked.

6. Reimbursement rates for individual meals shall be at the individual meal rate for that individual meal as established by the GSA.
7. Reimbursement may exceed the prescribed individual meal rate if the meal is being served as a part of the authorized event and the cost of the meal is itemized separately from the event's registration or attendance fees. For example, the registration fee for a multi-day conference includes lunches but an optional dinner is offered on one night at an additional cost.

VI. Advance Payments

After travel has been authorized, departments are encouraged to pre-pay expenses, to the extent feasible, using a County credit card, and to provide travelers with County credit cards (subject to credit card use policy) when traveling; however, when this option is not available or practical, an advance may be requested.

- A. The Auditor may provide advance funds for estimated "out of pocket" expenses up to seventy-five percent (75%) Advances will not be issued in amounts less than \$100 or more than \$1,000. The "out of pocket" expenses may include per diem allowances, individual meals, taxi and public transportation, lodging, parking, and registration costs, but does not include mileage reimbursement for the use of a personal vehicle.

- C. Department Heads are responsible for ensuring that claims for reimbursement are submitted to the Auditor-Controller's Office in a timely fashion, preferably within 30 days following completion of the travel.
