Hi Rich,

I would like to officially nominate Anthony Gaspora for special recognition during EMS week.

Tony has stepped up and done an outstanding job as the Executive Director for the CTESOA.

Tony has been influential in the purchase and outfitting of our three new ambulances, the acquisition and installation of our power-load gurney systems, as well as the Zoll mechanical CPR devices. Lives will be saved and paramedic backs spared due to Tony's efforts.

Tony has simplified our accounting and budgeting systems as well as organized years of records for the JPA. He has also put on ACLS, PALS, and ITLS certified classes for all of the paramedics working in the JPA.

Did I mention that Tony has taken on the role of Executive Director as a staff assignment where the previous ED drew a fee of \$50,000.00 from the JPA. Tony has saved both fire departments a significant amount of money and in these challenging economic times that is an accomplishment worth recognizing.

Tony has done such a good job for our fire departments that I had the honor of promoting him to EMS Lieutenant for the Lake Valley Fire Protection District.

Respectfully submitted,

Gareth S. Harris, Fire Chief

Lake Valley Fire Protection District
