1. Slide 31: Text has been updated as follows. Replacement slide attached.

Recommendations and Next Steps:

- Don't revise the 2009 CIP now.
- Direct DOT to work with the CAO, County's Auditor/Controller, and Treasurer, County Counsel, and the Bond Screening Committee to see what the revenue stream from the Casino can be securitized for.
- Direct DOT to ask EDCTC to market to work with Caltrans and other funding sources to see if for grants funding can be secured for any/all of HOV Lane Phases 2A, 2B, and 3.
- Direct DOT to return to the Board with more information during the 2010 CIP update.
