

TO: Kris Payne, Chair
El Dorado County Charter Review Committee

CC: Jim Mitrissin
Clerk of Board of Supervisors

FROM: Ellen Day 

DATE: 2 October 2017

REGARDING: Registrar of Voters should be an elected position

REC'D
OCT 2 2017 AM 9:51

The Charter Review Committee should pursue as a part of the Charter having the Registrar of Voters continue as an elected position and placed on next year's ballot.

The Registrar of Voters position certifies the official list of candidates, advises candidates and local election officials on qualifications and requirements for running for office, tracks and certifies ballot initiatives, handles voter registration and is accountable to the Secretary of State also an elected position.

The qualifications needed to perform the duties of Registrar of Voters require accountable and should be an elected position.

Please – have the discussion so the matter can move forward and be placed on the ballot.
