Ref: Reimbursement to Veteran Organizations for King Fire us of Veteran's Building

Dear Russ,

As promised, here are two letters from the Veteran Organizations affected by the King Fire Emergency. Both the Veterans of Foreign Wars and the Fleet Reserve Association were scheduled to hold community breakfast's during the weeks that the building and parking lot were used for staging by the emergency vehicles and personnel fighting the King Fire.

Attached are letters from both organizations, as requested, to reflect their loss of revenue. This revenue is a major part of the fundraising events during the year which provide funding for the many events and donations made by these two organizations. The previous emergency event that occurred paved the way for reimbursement, and I am certain that these two organizations will be reimbursed for their loss, with the remaining balance of funds left in the account set up for the Veterans.

Very truly yours,

To Whom It May Concern:

Request for Reimbursement

Fleet Reserve Association Branch 275 respectfully request reimbursement for loss of income. This loss of income is due to the unavailability of the Veterans Memorial Building during the King Fire. The Veterans Memorial Building is used for the fundraising Breakfasts. These breakfasts are a veteran's effort to provide the community with low cost meals. FEMA commandeered our parking lot for obvious reasons. We as service organizations understand the need at that time. We appreciate your consideration.

We generally average \$350.00 per breakfast to use for the Branch and the Community. We are requesting \$350.00 in reimbursement for loss in revenue for the breakfast we had to miss.

Thank you for your consideration.

The affected date is October 5, 2014.

Sincerely,

Lawrence J. Boudreaux, PNP
