

Section 50075 of the California Government Code

Senate Bill 165 enacted the Local Agency Special Tax and Bond Accountability Act. This Act requires that any local special tax/local bond measure subject to voter approval contain a statement indicating the specific purposes of the special tax, require that the proceeds of the special tax be applied to those purposes, require the creation of an account into which the proceeds shall be deposited, and require an annual report containing specified information concerning the use of the proceeds. The Act only applies to bonds issued on or after January 1, 2001 in accordance with Section 50075.1 of the California Government Code.

Some of the requirements of the Act are handled at the formation (bond issuance) of the Special Tax District and others are handled through annual reports. This Report intends to comply with Section 50075.3 of the California Government Code that states:

“The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The Annual report shall contain all of the following:

- (a) The amount of funds collected and expended.
- (b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 50075.1.”

Purpose of Special Tax

The authorized services to be funded from the levy and collection of annual services special taxes are the provision of public services, maintenance and operation related to any facilities authorized to be funded by the County's Community Facilities District No. 2018-1 (Bass Lake Hills) with a useful life of five or more years, including but not limited to performance by employees of functions and repair activities. Maintenance includes replacement and the creation and funding of a reserve fund to pay for a replacement of such facilities. The maintenance special taxes shall only fund authorized services to the extent that they are in addition to those provided to land within the CFD prior to the creation of the CFD.
