**Re:** MHN Contracts 08/09

---

Thank you for your time in participating in the conference call on Friday with MHN to discuss your problems with the confidentiality clauses they placed in their original 2005 contracts. I'm pleased we came to an agreement and the changes they suggested are attached and have been incorporated into the original rate change increase amendments that I submitted for your review several months ago.

The three agreements can be distinguished as follows:

- #6178: Employee Assistance Program (EAP) for all regular permanent EDC employees and some outside agency employees;
- #6179: Integrated coverage including EAP, Substance Abuse and Mental Health Services for all regular permanent employees who have Blue Shield as their primary medical coverage;
- #6180: EAP for former employees with COBRA coverage.

Let me know if you have any questions. Thank you.
