Dear Supervisors,

I urge you to vote no on the proposed Dixon Ranch project. The serious traffic, noise, air quality, and night sky impacts will ruin the rural lifestyle of residents, and violate Measure Y.

Thank you.

Sincerely,

Dear Supervisors-The people of El Dorado Hills spoke by rejecting measure Y with a 91% vote. We do not want high density housing in our area. If you approve the Dixon Ranch Project, you will be going against the wishes of the people who put you into your current positions.

Please reject this project and keep our community a rural area that separates it from the high density areas in Folsom.

Thank you

Joe Martin

Dear Supervisors,

I'm afraid if you let this pass, then what's to stop other large developers from doing the same. We need to put our foot down now and just say NO! The people have voted you into office to be our voice, not the developers voice. Our neighbors have been fighting this for years now, please don't let all our work just go to waste.

Sincerely,
