

ORDINANCE NO. _____

AN ORDINANCE ADDING SECTION 17.14.250 TO THE EL DORADO COUNTY CODE PROHIBITING THE ESTABLISHMENT OF MEDICAL MARIJUANA DISTRIBUTION FACILITIES

THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO DOES ORDAIN AS FOLLOWS:

Section 1. Findings

- A. In 1970, Congress enacted the Controlled Substances Act (“CSA”) which, among other things, makes it illegal to import, manufacture, distribute, possess or use marijuana in the United States.
- B. In 1996, the voters of the State of California approved Proposition 215 which was codified as Health and Safety Code section 11362.5 et. seq. and entitled “The Compassionate Use Act of 1996” (“CUA”).
- C. The intent of the CUA was to enable seriously ill persons who need medical marijuana for medical purposes to obtain and use marijuana under limited, specified circumstances. The CUA provides a limited exception from criminal prosecution under state law for specific crimes involving the cultivation, possession and use of marijuana for specified medical purposes. The CUA does not address land use, zoning or building code impacts or issues that arise from the proliferation of medical marijuana dispensaries and large scale cultivation within local jurisdictions.
- D. On January 1, 2004, SB 420, the Medical Marijuana Program Act (“MMPA”), went into effect. The MMPA was enacted by the State Legislature to clarify the scope of the Compassionate Use Act of 1996. The MMPA allows cities, counties, and other governing bodies to adopt and enforce rules and regulations consistent with the MMPA.
- E. The MMPA included a list of facilities that could qualify as “primary caregivers” and dispense marijuana to qualified patients. The only facilities the Legislature authorized to serve as “primary caregivers” are licensed clinics, health care facilities, residential care facilities, home health facilities and hospices which provide medical care and medical support services to qualified patients (Cal. Health & Saf. Code § 11362.7 (d)(1)).
- F. On June 5, 2005, the United States Supreme Court issued its decision in *Gonzales v. Raich* (2005) 125 S.Ct. 2195, which held that Congress, under the Commerce Clause of

the United States Constitution, has the authority and power to prohibit local cultivation and use of marijuana even if the cultivation or use complied with California law.

- G. In August 2011, the State Legislature adopted AB 1300, which amended California Health and Safety Code section 11362.83 to read “Nothing in this article shall prevent a city or other local governing body from adopting and enforcing any of the following:
- (a) Adopting local ordinances that regulate the location, operation or establishment of a medical marijuana cooperative or collective.
 - (b) The civil and criminal enforcement of local ordinance described in subdivision (a).
 - (c) Enacting other laws consistent with this article.”

Such local regulatory authority over medical marijuana distribution facilities has been affirmed by the California Supreme Court. (*See City of Riverside v. Inland Empire Patients Health and Wellness Center, Inc.* (2013) 56 Cal.4th 729.)

- H. Citizens and law enforcement officers have reported an increase in crimes, such as loitering, and an increase in traffic, odor and noise in the vicinity of dispensaries, and the sale of illegal drugs, including the illegal resale of marijuana from dispensaries, in the areas immediately surrounding such medical marijuana dispensaries.
- I. Law enforcement officials have indicated that they could more effectively prosecute the illegal operation of dispensaries if the prohibition on medical marijuana dispensaries was more clearly stated in the zoning ordinance.
