Subject: LAFCO project 2020-01 EDC Fire Protection District Island Annexations

El Dorado County Fire Protection District appreciates the time and dedication put into the process for the LAFCO project 2020-01 proposal. We recognize the efforts put into this negotiation by multiple parties involved and are looking forward to the annexation of 159 parcels (5,448 acres) into our district. After reviewing the proposal, El Dorado County Fire Protection District finds the appropriation limits for the LAFCO project referenced above, agreeable.

Sincerely,

Tim Cordero
Fire Chief
El Dorado County Fire Protection District
