Re: Grant Number G06-PA38

Dear Ms. Dorais,

On behalf of the County of El Dorado, I am pleased to accept the California Air Resources Board (ARB) grant in the amount of \$823,766 for the purchase of low-polluting construction equipment. The County of El Dorado Department of Transportation (EDCDOT) will be using these grants funds to retrofit, repower, and/or replace existing EDCDOT equipment that does not meet the emission standards in the proposed regulation for off-road diesel vehicles to be adopted in the summer of 2007.

Attached is the signed Grant Award & Authorization Form for Grant Number G06-PA38. If you have any questions, please contact Dennis Milligin at (530) 642-4900.

Sincerely,

Helen K. Baumann, Chairman
Board of Supervisors
