Subject: Withdraw of development impact fee funds for type 6 fire engine

Dear Ms. Stout,

I hope this letter finds you well. I am writing on behalf of the Garden Valley Fire Protection District to formally request the release of development impact fee money allocated for the enhancement of emergency services in our area. The funds will be utilized for a new type 6 fire engine (already purchased and delivered), which is critical in augmenting our firefighting capabilities and ensuring the safety and protection of our community and staff.

We would like to request \$80,000.00 to help offset the cost of the new apparatus. Attached you will find the necessary documentation including contracts and bank agreements.

Please do not hesitate to contact me with any questions or comments you may have.

Respectfully,

A handwritten signature in blue ink that reads "Wes Norman".

II. Obligor Warranties

Section 2.01 Obligor represents, warrants and covenants as follows for the benefit of Obligee or its assignees:

- (a) Obligor is an "issuer of tax exempt obligations" because Obligor is the State or a political subdivision of the State within the meaning of Section 103(a) of the Internal Revenue Code of 1986, as amended, (the "Code") or because Obligor is a constituted authority or district authorized to issue obligations on behalf of the State or political subdivision of the State within the meaning of Treasury Regulation 1.103-1(b), or a qualified volunteer fire company within the meaning of section 150(e)(1) of the Code.
- (b) Obligor has complied with any requirement for a referendum and/or competitive bidding.
- (c) Obligor has complied with all statutory laws and regulations that may be applicable to the execution of this Contract; Obligor, and its officer executing this Contract, are authorized under the Constitution and laws of the State to enter into this Contract and have used and followed all proper procedures of its governing body in executing and delivering this Contract. The officer of Obligor executing this Contract has the authority to execute and deliver this Contract. This Contract constitutes a legal, valid, binding and enforceable obligation of the Obligor in accordance with its terms.
- (d) Obligor shall use the Equipment only for essential, traditional government purposes.
- (e) Should the IRS disallow the tax-exempt status of the interest portion of the Contract Payments as a result of the failure of the Obligor to use the Equipment for governmental purposes, or should the Obligor cease to be an issuer of tax exempt obligations, or should the obligation of Obligor created under this Contract cease to be a tax exempt obligation for any reason, then Obligor shall be required to pay additional sums to the Obligee or its assignees so as to bring the after tax yield on this Contract to the same level as the Obligee or its assignees would attain if the transaction continued to be tax-exempt.
- (f) Obligor will submit to the Secretary of the Treasury an information reporting statement as required by the Code.
- (g) Upon request by Obligee, Obligor will provide Obligee with current financial statements, reports, budgets or other relevant fiscal information.
- (h) Obligor shall retain the Equipment free of any hazardous substances as defined in the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601 et. seq. as amended and supplemented.
- (i) Obligor hereby warrants the General Fund of the Obligor is the primary source of funds or a backup source of funds from which the Contract Payments will be made.
- (j) Obligor presently intends to continue this Contract for the Original Term and all Renewal Terms as set forth on Exhibit B hereto. The official of Obligor responsible for budget preparation will include in the budget request for each Budget Year the Contract Payments to become due in such Budget Year, and will use all reasonable and lawful means available to secure the appropriation of money for such Budget Year sufficient to pay the Contract Payments coming due therein. Obligor reasonably believes that moneys can and will lawfully be appropriated and made available for this purpose.
- (k) Obligor has selected both the Equipment and the vendor(s) from whom the Equipment is to be purchased upon its own judgment and without reliance on any manufacturer, merchant, vendor or distributor, or agent thereof, of such equipment to the public.
- (l) Obligor owns the Equipment and any additional collateral free and clear of any liens, and Obligor has not and will not, during the Contract Term, create, permit, incur or assume any levies, liens or encumbrances of any kind with respect to the Equipment or any additional collateral except those created by this Contract.
- (m) Obligor warrants, as applicable, the purchase of any telecommunications and video surveillance services or equipment financed hereunder complies with 2 CFR § 200.216 and 2 CFR § 200.471.
- (n) Obligor warrants that it understands and has complied with 2 CFR § 200.322 in relation to domestic preferences for procurements, as applicable.
- (o) Obligor finds and determines that the amount of the Contract Payments set forth in Exhibit B are equal to the fair rental value of the related Equipment during the respective Budget Year of Obligor in which such Contract Payments are made.
- (p) The Equipment will have a useful life that is substantially in excess of the Contract Term.

Section 2.02 Escrow Agreement. In the event both Obligee and Obligor mutually agree to utilize an Escrow Account, then immediately following the execution and delivery of this Contract, Obligee and Obligor agree to execute and deliver and to cause Escrow Agent to execute and deliver the Escrow Agreement. This Contract shall take effect only upon execution and delivery of

the Escrow Agreement by the parties thereto. Obligor shall deposit or cause to be deposited with the Escrow Agent for credit to the Equipment Acquisition Fund the sum of N/A, which shall be held, invested and disbursed in accordance with the Escrow Agreement.

III. Acquisition of Equipment, Contract Payments and the Purchase Option Price

Section 3.01. Acquisition and Acceptance. Obligor shall be solely responsible for the ordering of the Equipment and for the delivery and installation of the Equipment. The Payment Request and Equipment Acceptance Form must be signed by the same authorized individual(s) who signed the Signature Card, Exhibit G. By making a Contract Payment after its receipt of the Equipment pursuant to this Contract, Obligor shall be deemed to have accepted the Equipment on the date of such Contract Payment for purposes of this Contract. All Contract Payments paid prior to delivery of the Payment Request and Equipment Acceptance Form shall be credited to Contract Payments as they become due as shown on the Contract Payment Schedule attached as Exhibit B hereto.

Section 3.02. Contract Payments. Obligor shall pay Contract Payments exclusively to Obligees or its assignees in lawful, legally available money of the United States of America. The Contract Payments shall be sent to the location specified by the Obligees or its assignees. The Contract Payments, payable without notice or demand, are due as set forth on Exhibit B. Obligees shall have the option to charge interest at the highest lawful rate on any Contract Payment received later than the due date for the number of days that the Contract Payment(s) were late, plus any additional accrual on the outstanding balance for the number of days that the Contract Payment(s) were late. Obligees shall also have the option, on monthly payments only, to charge a late fee of up to 10% of the monthly Contract Payment that is past due. Furthermore, Obligor agrees to pay any fees associated with the use of a payment system other than check, wire transfer, or ACH. Once all amounts due Obligees hereunder have been received, Obligees will release any and all of its rights, title and interest in the Equipment.

Section 3.03. Abatement. During any period in which, by reason of material damage or destruction or taking under the power of eminent domain (or sale to any entity threatening the use of such power) or material title defect with respect to the Equipment, there is substantial interference with the use and possession by Obligor of the Equipment, the Contract Payments due under the Contract with respect to the Equipment shall be abated proportionately in whole or in part. Obligor shall immediately notify Obligees upon the occurrence of any event causing substantial interference with Obligor's use and possession of the Equipment and such notice shall be provided prior to the abatement of any Contract Payments. The amount of abatement shall be such that the remaining rental obligation represents fair consideration for Obligor's use and possession of the Equipment, or portions thereof, not substantially interfered with, and end on the earlier of the date on which the use and possession of the Equipment is restored to Obligor or the date on which Obligor uses the Net Proceeds of insurance or a condemnation awards to pay the Contract Payments or the applicable Purchase Option Price. In the event of any such interference, this Contract and the related abatement agreement shall continue in full force and effect. To the extent allowed by law, Obligor waives the benefits of Civil Code Section 1932 and any and all other rights to terminate this Contract and the related Abatement agreement by virtue of any interference with the use and possession of any Equipment, although such waiver shall not constitute a waiver of abatement of Contract Payments, as set forth in this section.

Section 3.04. Contract Payments Unconditional. Except as provided in Section 3.03, the obligation of Obligor to make Contract Payments or any other payments required hereunder shall be absolute and unconditional in all events. NOTWITHSTANDING ANY DISPUTE BETWEEN OBLIGOR AND OBLIGEE OR BETWEEN OBLIGOR AND VENDOR OR ANY OTHER PERSON, OBLIGOR SHALL MAKE ALL CONTRACT PAYMENTS AND OTHER PAYMENTS REQUIRED HEREUNDER WHEN DUE AND SHALL NOT WITHHOLD ANY CONTRACT PAYMENT OR OTHER PAYMENT PENDING FINAL RESOLUTION OF SUCH DISPUTE NOR SHALL OBLIGOR ASSERT ANY RIGHT OF SET-OFF OR COUNTERCLAIM AGAINST ITS OBLIGATION TO MAKE CONTRACT PAYMENTS OR OTHER PAYMENTS REQUIRED HEREUNDER. Obligor's obligation to make Contract Payments or other payments shall not be abated on account of failure of the Equipment to perform as desired or obsolescence of the Equipment and shall not be abated through accident or unforeseen circumstances except as provided in Section 3.03.

Section 3.05. Purchase Option Price. Upon thirty (30) days written notice, Obligor shall have the option to pay, in addition to the Contract Payment, the corresponding Purchase Option Price which is listed on the same line on Exhibit B. This option is only available to the Obligor on the Contract Payment date and no partial prepayments are allowed. If Obligor chooses this option and pays the Purchase Option Price to Obligees then Obligees will transfer any and all of its rights, title and interest in the Equipment to Obligor.

Section 3.06. Contract Term. The Contract Term shall be the Original Term and all Renewal Terms until all the Contract Payments are paid as set forth on Exhibit B except as provided under Section 9.01 below.

Section 3.07. Disclaimer of Warranties. OBLIGEE MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR ANY OTHER WARRANTY WITH RESPECT TO THE EQUIPMENT. OBLIGEE IS NOT A MANUFACTURER, SELLER, VENDOR OR DISTRIBUTOR, OR AGENT THEREOF, OF SUCH EQUIPMENT; NOR IS OBLIGEE A MERCHANT OR IN THE BUSINESS OF DISTRIBUTING SUCH EQUIPMENT TO THE PUBLIC. OBLIGEE SHALL NOT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE ARISING OUT OF THE INSTALLATION, OPERATION, POSSESSION, STORAGE OR USE OF THE EQUIPMENT BY OBLIGOR.

IV. Appropriation of Money

Section 4.01. Appropriation. The person or entity in charge of preparing Obligor's budget will include in the budget request for each Budget Year the Contract Payments to become due in such Budget Year with respect to the Contract, and will use all reasonable and lawful means available to secure the appropriation of money for such Budget Year sufficient to pay all such Contract Payments coming due therein. The covenants on the part of Obligor contained in this Contract, including the covenant to budget and appropriate amounts necessary to make Contract Payments, shall be deemed to be duties imposed by law, and it shall be the duty of each and every public official of Obligor to take such action and do such things as required by law in the performance of the official duty of such officials to enable Obligor to carry out and perform the covenants and contracts in this Contract. This Contract and each abatement agreement represent a firm contract and not a non-appropriation contract.

V. Insurance, Damage, Insufficiency of Proceeds

Section 5.01. Insurance. Obligor shall maintain both casualty insurance, liability insurance and rental interruption and loss of use and occupancy insurance at its own expense with respect to the Equipment. Obligor shall be solely responsible for selecting the insurer(s) and for making all premium payments and ensuring that all policies are continuously kept in effect during the period when Obligor is required to make Contract Payments. Obligor shall provide Obligees with a Certificate of Insurance which lists the Obligees and/or assigns as a loss payee and an additional insured on the policies with respect to the Equipment.

- (a) Obligor shall insure the Equipment against any loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Obligees in an amount at least equal to the then applicable Purchase Option Price of the Equipment. Alternatively, Obligor may insure the Equipment under a blanket insurance policy or policies.
- (b) The liability insurance shall insure Obligees from liability and property damage in any form and amount satisfactory to Obligees.
- (c) Obligor shall maintain or cause to be maintained at its expense throughout the Contract, rental interruption insurance against loss of use of the Equipment or portions thereof with coverage equal to the maximum total Contract Payments payable under the Contract by Obligor for any consecutive 24-month period. The policy shall insure against abatement of Contract Payments payable by Obligor resulting from Obligor's loss of use of the Equipment or any substantial portion thereof and caused by any and all perils, either insured or uninsured, including acts of God. The Net Proceeds of such insurance shall be payable to Obligees in amounts proportionate to Obligor's loss of use of the Equipment and the corresponding rental abatement, if any, and shall supplement Contract Payments made by Obligor, if any, during the period in which Obligor's use and occupancy of the Equipment is being restored in sufficient amounts to make Obligees whole.
- (d) Obligor may self-insure against the casualty risks and liability risks described above. If Obligor chooses this option, Obligor must furnish Obligees with a certificate and/or other documents which evidences such coverage.
- (e) All insurance policies issued or affected by this Section shall be so written or endorsed such that the Obligees and its assignees are named additional insureds and loss payees and that all losses are payable to Obligor and Obligees or its assignees as their interests may appear. Each policy issued or affected by this Section shall contain a provision that the insurance company shall not cancel or materially modify the policy without first giving thirty (30) days advance notice to Obligees or its assignees. Obligor shall furnish to Obligees certificates evidencing such coverage throughout the Contract Term.

Section 5.02. Damage to or Destruction of Equipment. Obligor assumes the risk of loss or damage to the Equipment. If the Equipment or any portion thereof is lost, stolen, damaged, or destroyed by fire or other casualty, Obligor will immediately report all such losses to all possible insurers and take the proper procedures to obtain all insurance proceeds. At the option of Obligees, Obligor shall either (1) apply the Net Proceeds to replace, repair or restore the Equipment or (2) apply the Net Proceeds to the applicable Purchase Option Price. For purposes of this Section and Section 5.03, the term Net Proceeds shall mean the amount of insurance proceeds collected from all applicable insurance policies after deducting all expenses incurred in the collection thereof.

Section 5.03. Insufficiency of Net Proceeds. If there are no Net Proceeds for whatever reason or if the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement of the Equipment, then Obligor shall, at the option of Obligees, either (1) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds or (2) apply the Net Proceeds to the Purchase Option Price and pay the deficiency, if any, to the Obligees.

Section 5.04. Obligor Negligence. Obligor assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to the Equipment and for injury to or death of any person or damage to any property whether such injury or death be with respect to agents or employees of Obligor or of third parties, and whether such property damage be to Obligor's property or the property of others (including, without limitation, liabilities for loss or damage related to the release or threatened release of hazardous substances under the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act or similar or successor law or any State or local equivalent now existing or hereinafter enacted which in any manner arise out of or are incident to any possession, use, operation, condition or storage of any Equipment by Obligor), which is proximately caused by the negligent conduct of Obligor, its officers, employees and agents.

Section 5.05. Reimbursement. Obligor hereby assumes responsibility for and agrees to reimburse Obligees for all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses (including reasonable attorneys' fees) of whatsoever kind and nature, imposed on, incurred by or asserted against Obligees that in any way relate to or arise out of a claim, suit or

proceeding, based in whole or in part upon the negligent conduct of Obligor, its officers, employees and agents, or arose out of installation, operation, possession, storage or use of any item of the Equipment, to the maximum extent permitted by law.

VI. Title and Security Interest

Section 6.01 Title. Title to the Equipment shall vest in Obligor when Obligor acquires and accepts the Equipment. Title to the Equipment will automatically transfer to the Obligee in the event Obligor defaults under Section 9.01. In such event, Obligor shall execute and deliver to Obligee such documents as Obligee may request to evidence the passage of legal title to the Equipment to Obligee.

Section 6.02 Security Interest. To secure the payment of all Obligor's obligations under this Contract, as well as all other obligations, debts and liabilities, plus interest thereon, whether now existing or subsequently created, Obligor hereby grants to Obligee a security interest under the Uniform Commercial Code constituting a first lien on the Equipment described more fully on Exhibit A. Furthermore, Obligor agrees that any other collateral securing any other obligation(s) to Obligee, whether offered prior to or subsequent hereto, also secures this obligation. The security interest established by this section includes not only all additions, attachments, repairs and replacements to the Equipment but also all proceeds therefrom. Obligor authorizes Obligee to prepare and record any Financing Statement required under the Uniform Commercial Code to perfect the security interest created hereunder. Obligor agrees that any Equipment listed on Exhibit A is and will remain personal property and will not be considered a fixture even if attached to real property.

VII. Assignment

Section 7.01 Assignment by Obligee. All of Obligee's rights, title and/or interest in and to this Contract may be assigned and reassigned in whole or in part to one or more assignees or sub-assignees by Obligee at any time without the consent of Obligor. No such assignment shall be effective as against Obligor until the assignor shall have filed with Obligor written notice of assignment identifying the assignee. Obligor shall pay all Contract Payments due hereunder relating to such Equipment to or at the direction of Obligee or the assignee named in the notice of assignment. Obligor shall keep a complete and accurate record of all such assignments.

Section 7.02 Assignment by Obligor. None of Obligor's right, title and interest under this Contract and in the Equipment may be assigned by Obligor unless Obligee approves of such assignment in writing before such assignment occurs and only after Obligor first obtains an opinion from nationally recognized counsel stating that such assignment will not jeopardize the tax-exempt status of the obligation.

VIII. Maintenance of Equipment

Section 8.01 Equipment. Obligor shall keep the Equipment in good repair and working order, and as required by manufacturer's and warranty specifications. If Equipment consists of copiers, Obligor is required to enter into a copier maintenance/service agreement. Obligee shall have no obligation to inspect, test, service, maintain, repair or make improvements or additions to the Equipment under any circumstances. Obligor will be liable for all damage to the Equipment, other than normal wear and tear, caused by Obligor, its employees or its agents. Obligor shall pay for and obtain all permits, licenses and taxes related to the ownership, installation, operation, possession, storage or use of the Equipment. If any fees are required to be paid by the California Debt & Investment Advisory Commission then such fees shall be paid directly from the Obligor to the California Debt & Investment Advisory Commission. If the Equipment includes any titled vehicle(s), then Obligor is responsible for obtaining such title(s) from the State and also for ensuring that Obligee is listed as First Lienholder on all of the title(s). Obligor shall not use the Equipment to haul, convey or transport hazardous waste as defined in the Resource Conservation and Recovery Act, 42 U.S.C. 6901 et. seq. Obligor agrees that Obligee or its Assignee may execute any additional documents including financing statements, affidavits, notices, and similar instruments, for and on behalf of Obligor which Obligee deems necessary or appropriate to protect Obligee's interest in the Equipment and in this Contract. Obligor shall allow Obligee to examine and inspect the Equipment at all reasonable times.

IX. Default

Section 9.01 Events of Default defined. The following events shall constitute an "Event of Default" under this Contract:

- (a) Failure by Obligor to pay any Contract Payment listed on Exhibit B for fifteen (15) days after such payment is due according to the Payment Date listed on Exhibit B, other than by reason of abatement as provided under Section 3.03.
- (b) Failure by Obligor to maintain any of the insurances as required under section 5.01.
- (c) Failure to pay any other payment required to be paid under this Contract at the time specified herein and a continuation of said failure for a period of fifteen (15) days after written notice by Obligee that such payment must be made. If Obligor continues to fail to pay any payment after such period, then Obligee may, but will not be obligated to, make such payments and charge Obligor for all costs incurred plus interest at the highest lawful rate.
- (d) Failure by Obligor to observe and perform any warranty, covenant, condition, promise or duty under this Contract for a period of thirty (30) days after written notice specifying such failure is given to Obligor by Obligee, unless Obligee agrees in writing to an extension of time. Obligee will not unreasonably withhold its consent to an extension of time if corrective action is instituted by Obligor. Subsection (c) does not apply to Contract Payments and other payments discussed above.
- (e) Any statement, material omission, representation or warranty made by Obligor in or pursuant to this Contract which proves to be false, incorrect or misleading on the date when made regardless of Obligor's intent and which materially adversely affects the rights or security of Obligee under this Contract.
- (f) Any provision of this Contract which ceases to be valid for whatever reason and the loss of such provision would materially adversely affect the rights or security of Obligee.
- (g) Obligor admits in writing its inability to pay its obligations.
- (h) Obligor defaults on one or more of its other obligations.
- (i) Obligor becomes insolvent, is unable to pay its debts as they become due, makes an assignment for the benefit of creditors, applies for or consents to the appointment of a receiver, trustee, conservator, custodian, or liquidator of Obligor, or all or substantially all of its assets, or a petition for relief is filed by Obligor under federal bankruptcy, insolvency or similar laws, or is filed against Obligor and is not dismissed within thirty (30) days thereafter.

Section 9.02 Remedies on Default. Whenever any Event of Default exists, Obligee shall have the right to take one or any combination of the following remedial steps:

- (a) Obligee, with or without terminating this Contract, may collect each installment of Contract Payments as it becomes due and payable with respect to the Equipment in accordance with Exhibit B to the end of the Contract Term.
- (b) Obligee, with or without terminating this Contract, may repossess any or all of the Equipment by giving Obligor written notice to deliver the Equipment to the location designated by Obligee. In the event Obligor fails to do so within ten (10) days after receipt of such notice, Obligee may enter upon Obligor's premises where the Equipment is kept and take possession of the Equipment and charge Obligor for costs incurred in repossessing the Equipment, including reasonable attorneys' fees. Obligor hereby expressly waives any damages occasioned by such repossession. If the Equipment or any portion of it has been destroyed or damaged beyond repair, Obligor shall pay the applicable Purchase Option Price of the damaged or destroyed Equipment as set forth in the Contract Payment Schedule. Notwithstanding the fact that Obligee has taken possession of the Equipment, Obligor shall continue to be responsible for the Contract Payments with respect thereto as and when such Contract Payments become or would have become due and payable.
- (c) If Obligee, in its discretion, takes possession and disposes of the Equipment or any portion thereof, Obligee shall apply the proceeds of any such disposition to pay the following items in the following order: (i) all costs (including, but not limited to, attorneys' fees) incurred in securing possession of the Equipment; (ii) all expenses incurred in completing the disposition; (iii) any sales or transfer taxes; and (iv) the balance of any Contract Payments with respect thereto as and when such Contract Payment would become due and payable. Any disposition proceeds remaining after the requirements of clauses (i), (ii), (iii), (iv) have been met shall be paid to Obligor.
- (d) By action pursuant to the California Code of Civil Procedure, or as otherwise provided by law, obtain the issuance of a writ of mandamus enforcing, for the entire balance due, or as it becomes due, under Exhibit B of the Contract, the duty of Obligor to appropriate and take all other administrative steps necessary for the making of all Contract Payments.
- (e) Obligee may take any other remedy available at law or in equity with respect to an Event of Default, including (without limitation) those requiring Obligor to perform any of its obligations under this Contract or to pay any moneys due and payable to Obligee, provided Obligee shall have no right to accelerate Contract Payments or otherwise declare any Contract Payments not then in default to be immediately due and payable.

Section 9.03 No Remedy Exclusive. No remedy herein conferred upon or reserved to Obligee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Contract now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or shall be construed to be a waiver thereof.

Section 9.04 Return of Equipment and Storage.

- (a) **Surrender:** The Obligor shall, at its own expense, surrender the Equipment, any additional collateral and all required documentation to evidence transfer of title from Obligor to the Obligee in the event of a default by delivering the Equipment and any additional collateral to the Obligee to a location accessible by common carrier and designated by Obligee. In the case that any of the Equipment and any additional collateral consists of software, Obligor shall destroy all intangible items constituting such software and shall deliver to Obligee all tangible items constituting such software. At Obligee's request, Obligor shall also certify in a form acceptable to Obligee that Obligor has complied with the above software return provisions and that they will immediately cease using the software and that they shall permit Obligee and/or the vendor of the software to inspect Obligor's locations to verify compliance with the terms hereto.
- (b) **Delivery:** The Equipment and any additional collateral shall be delivered to the location designated by the Obligee by a common carrier unless the Obligee agrees in writing that a common carrier is not needed. When the Equipment and any additional collateral is delivered into the custody of a common carrier, the Obligor shall arrange for the shipping of the item and its insurance in transit in accordance with the Obligee's instructions and at the Obligor's sole expense. Obligor at its expense shall completely sever and disconnect the Equipment and any additional collateral or its component parts from the Obligor's property all without liability to the Obligee. Obligor shall pack or crate the Equipment and any additional collateral and all of the component parts of the Equipment and any additional collateral carefully and in accordance with any recommendations of the manufacturer. The Obligor shall deliver to the

- Obligee the plans, specifications, operation manuals or other warranties and documents furnished by the manufacturer or vendor on the Equipment and any additional collateral and such other documents in the Obligor's possession relating to the maintenance and methods of operation of such Equipment and any additional collateral.
- (c) Condition: When the Equipment is surrendered to the Obligees it shall be in the condition and repair required to be maintained under this Contract. It will also meet all legal regulatory conditions necessary for the Obligees to sell or lease it to a third party and be free of all liens. If Obligees reasonably determines that the Equipment or an item of the Equipment, once it is returned, is not in the condition required hereby, Obligees may cause the repair, service, upgrade, modification or overhaul of the Equipment or an item of the Equipment to achieve such condition and upon demand, Obligor shall promptly reimburse Obligees for all amounts reasonably expended in connection with the foregoing.
- (d) Storage: Upon written request by the Obligees, the Obligor shall provide free storage for the Equipment and any additional collateral for a period not to exceed 60 days after the expiration of the Contract Term before returning it to the Obligees. The Obligor shall arrange for the insurance described to continue in full force and effect with respect to such item during its storage period and the Obligees shall reimburse the Obligor on demand for the incremental premium cost of providing such insurance.

X. Vendor Payable Account

Section 10.01 Establishment of Vendor Payable Account. On the date that the Obligees executed this Contract, which is on or after the date that the Obligor executes this Contract, Obligees agrees to (i) make available to Obligor an amount sufficient to pay the total Purchase Price for the Equipment by establishing a separate, non-interest bearing account (the "Vendor Payable Account"), as agent for Obligor's account, with a financial institution that Obligees selects that is acceptable to Obligor (including Obligees or any of its affiliates) and (ii) to deposit an amount equal to such Purchase Price as reflected on Exhibit B in the Vendor Payable Account. Obligor hereby further agrees to make the representations, warranties and covenants relating to the Vendor Payable Account as set forth in Exhibit C attached hereto. Upon Obligor's delivery to Obligees of a Payment Request and Equipment Acceptance Form in the form set forth in Exhibit F attached hereto, Obligor authorizes Obligees to withdraw funds from the Vendor Payable Account from time to time to pay the Purchase Price, or a portion thereof, for each item of Equipment as it is delivered to Obligor. The Payment Request and Equipment Acceptance Form must be signed by an authorized individual acting on behalf of Obligor. The authorized individual or individuals designated by the Obligor must sign the Signature Card which will be kept in the possession of the Obligees.

Section 10.02 Down Payment. Prior to the disbursement of any funds from the Vendor Payable Account, the Obligor must either (1) deposit all the down payment funds that the Obligor has committed towards the purchase of the Equipment into the Vendor Payable Account or (2) Obligor must provide written verification to the satisfaction of the Obligees that all the down payment funds Obligor has committed towards the purchase of the Equipment have already been spent or are simultaneously being spent with the funds requested from the initial Payment Request and Equipment Acceptance Form. For purposes of this Section, the down payment funds committed towards the Equipment from the Obligor are the down payment funds that were represented to the Obligees at the time this transaction was submitted for credit approval by the Obligor to the Obligees.

Section 10.03 Disbursement upon Default. If an event of default occurs prior to the Partial Prepayment Date, the amount then on deposit in the Vendor Payable Account shall be retained by the Obligees and Obligor will have no interest therein.

Section 10.04 Surplus Amount. Any Surplus Amount then on deposit in the Vendor Payable Account on the Partial Prepayment Date shall, at Obligees's sole discretion, either a) be returned to Obligor, or b) be applied to pay on such Partial Prepayment Date a portion of the Purchase Option Price then applicable.

Section 10.05 Recalculation of Contract Payments. Should Obligees decide to apply the Surplus Amount to the then applicable Purchase Option Price as provided in Section 10.04 above, each Contract Payment thereafter shall be reduced by an amount calculated by Obligees based upon a fraction the numerator of which is the Surplus Amount and the denominator of which is the Purchase Option Price on such Partial Prepayment Date. Within 15 days after such Partial Prepayment Date, Obligees shall provide to Obligor a revised Exhibit B to this Contract, which shall take into account such payment of a portion of the Purchase Option Price thereafter and shall be and become thereafter Exhibit B to this Contract. Notwithstanding any other provision of this Section 10, this Contract shall remain in full force and effect with respect to all or the portion of the Equipment accepted by Obligor as provided in this Contract, and the portion of the principal component of Contract Payments remaining unpaid after the Partial Prepayment Date plus accrued interest thereon shall remain payable in accordance with the terms of this Contract, including revised Exhibit B hereto which shall be binding and conclusive upon Obligees and Obligor.

XI. Miscellaneous

Section 11.01 Notices. All notices shall be sufficiently given and shall be deemed given when delivered or mailed by registered mail, postage prepaid, to the parties at their respective places of business as first set forth herein or as the parties shall designate hereafter in writing.

Section 11.02 Binding Effect. Obligor acknowledges this Contract is not binding upon the Obligees or its assignees unless the Conditions to Funding listed on the Documentation Instructions have been met to Obligees's satisfaction, and Obligees has executed the Contract. Thereafter, this Contract shall inure to the benefit of and shall be binding upon Obligees and Obligor and their respective successors and assigns.

Section 11.03 Severability. In the event any provision of this Contract shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 11.04 Amendments, Addenda, Changes or Modifications. This Contract may be amended, added to, changed or modified by written agreement duly executed by Obligees and Obligor. Furthermore, Obligees reserves the right to directly charge or amortize into the remaining balance due from Obligor, a reasonable fee, to be determined at that time, as compensation to Obligees for the additional administrative expense resulting from such amendment, addenda, change or modification requested by Obligor.

Section 11.05 Execution in Counterparts. This Contract may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.06 Captions. The captions or headings in this Contract do not define, limit or describe the scope or intent of any provisions or sections of this Contract.

Section 11.07 Master Contract. This Contract can be utilized as a Master Contract. This means that the Obligees and the Obligor may agree to the financing of additional Equipment under this Contract at some point in the future by executing one or more Additional Schedules to Exhibit A and Exhibit B, as well as other exhibits or documents that may be required by Obligees. Additional Schedules will be consecutively numbered on each of the exhibits which make up the Additional Schedule and all the terms and conditions of the Contract shall govern each Additional Schedule.

Section 11.08 Entire Writing. This Contract constitutes the entire writing between Obligees and Obligor. No waiver, consent, modification or change of terms of this Contract shall bind either party unless in writing and signed by both parties, and then such waiver, consent, modification or change shall be effective only in the specific instance and for the specific purpose given. There are no understandings, agreements, representations, conditions, or warranties, express or implied, which are not specified herein regarding this Contract, the Equipment or any additional collateral, financed hereunder. Any terms and conditions of any purchase order or other documents submitted by Obligor in connection with this Contract which are in addition to or inconsistent with the terms and conditions of this Contract will not be binding on Obligees and will not apply to this Contract.

Obligees and Obligor have caused this Contract to be executed in their names by their duly authorized representatives listed below.

Whereas, Obligor hereby represents that it is a "Bank Qualified" Issuer for the calendar year in which this Contract is executed by making the following designations with respect to Section 265 of the Internal Revenue Code of 1986, as amended (the "Code"). (A "Bank Qualified Issuer" is an issuer that issues less than ten million (\$10,000,000) dollars of tax-exempt obligations other than "private activity bonds" as defined in Section 141 of the Code, excluding certain "qualified 501(c)(3) bonds" as defined in Section 145 of the Code, during the calendar year).
