Summary of qualifications I am a Deputy Probation Officer with El Dorado County. In the course of my daily duties, I am in close contact with the youth of the county who have oftentimes been severely affected by various forms of abuse and trauma. Having this knowledge and the skills by the training provided by my department will perhaps provide the committee with a unique approach. In my field, our Department has worked tirelessly to apply Trauma-Informed Care to all of our daily duties with our clients. In doing so, this approach has helped our department immeasurably by helping us officers gain a better, more informed approach when working with our clients. It has also lead to a greater deal of patience, understanding, and compassion from our officers.			
Affiliations with professional and/or community groups I am a Peer Support Provider for El Dorado County. I also volunteer with the Boys and Girls Club of El Dorado County during the holiday season for the annual "Shop With a Cop" event.			
Why do you seek appointment? I am seeking an appointment with the El Dorado County Child Abuse Prevention Council because I feel strongly that the children of our county are some of our most valuable assets. With that, the safety of our kids is paramount. I believe all children in our county should have the right to be free of all types of abuse. I also believe that education is the primary key to knowledge and knowledge is the primary key to prevention. Providing children with knowledge based on prevention skills and support is one of the main tactics of deterrence.			
Additional Information In addition to my experience in Law Enforcement, I am also a certified Faith In Crisis Chaplain through American River College. My experience as a Chaplain has led me to work with people in crisis and times of great peril.			
If known, indicate the member of the Board of Supervisors who will receive a copy of this application John Hidahl, George Turnboo, Wendy Thomas, Lori Parlin, Sue Novasel.
