Matt,

Thank you for your quick response. It is appreciated. Per your request, I will not forward your project to the Board of Supervisors for their December meeting (General Plan window).

I normally do not send out the minutes as they are available on-line at <http://www.co.el-dorado.ca.us/Planning/PC.html>. Thank you.

RE: A07-0014/Z07-0045/PD07-0031/TM07-1459/Red Robin Subdivision

Mr. Rodgers,

Per your letter dated September 5, 2008, you had requested the above-mentioned item be rescheduled from the September Board of Supervisors meeting to the December 16, 2008 meeting. In an e-mail dated October 22, 2008 to Larry Appel, you indicated that you were considering requesting your item to be re-scheduled again to a later Board of Supervisors meeting. This is to notify you that unless I have something in writing by **5:00pm on Thursday, November 6, 2008**, removing your request to be heard in December by the Board, I will begin the process of forwarding the above-mentioned item to the Board of Supervisors to hear on December 16, 2008 in order to meet our deadlines. This process will also include a legal ad in the paper, notices to the surrounding property owners and to you as the applicant. Thank you.

Re-Scheduling of Board hearing

Dear Ms. Tim,

Please postpone our Board of Supervisors hearing from later this month to the next appropriate date in December. I understand that may be December 16, 2008.

Many issues have been brought up within the last few weeks that had not previously been identified. We will need additional time to address these items.

Please let me know if there's anything else I can do to help.

Thank you,
