## Invitation to "International Youth Camp in Warabi 2018"

February 27, 2018

Mr. Michael Ranalli, Chairman  
El Dorado County Board of Supervisors  
330 Fair Lane  
Placerville, California 95667

Dear Mr. Ranalli,

I would like to inform you that we will hold "International Youth Camp in Warabi 2018" with the itinerary as follows. It would be a great pleasure for us to welcome you, many young people (at least fifteen) aged between fourteen and seventeen years old (or up) and a few chaperons from El Dorado County for this Camp. The expenses for their stay in Japan will be borne by Warabi City.

We believe that this will be a good opportunity for them to learn much about us and our sister cities, and to promote mutual understanding through the experience of home-stay in Warabi as well as through many activities in Ageo Sports Center.

We are truly looking forward to welcoming your group to the Youth Camp under the sponsorship of Warabi city.

Yours very truly,

Hideo Yoritaka

Mayor
