To: Planning Department <planning@edcgov.us>

I am 100% AGAINST this Verizon 97' faux tree that is proposed in my neighborhood.
These are so ugly!!!!

I, along with all my neighbors will have it in sight, every day.

I hate to think about re-sale value on my house, should I decide to leave Heritage.....

I know, I would not have bought my house if that was there in 2019.

It's a shame that Verizon isn't smart enough to recognize their selfish needs, effect peoples daily enjoyment of where we live...

Again, I'm 100% AGAINST it.

Please don't let this happen to my neighborhood.
