Ref: Special Use Permit
S07-0021/Cozzi Landscaping

Dear Sir:

We are 7 year owners of a parcel in the Valley Oaks Ranch #2, 2681 Fria Springs Road, Rescue.

We find the Cozzi family to be good neighbors, hard working not only keeping up their property, but, improving it as well. They are a quiet, friendly and neighbors we are happy to have.

We moved here for a quiet retirement life style. We understand that this change in zoning will stay with the property and will set a precedent for any future zoning.

This being said, a special use permit, in our opinion, should not be issued.

Re: Special Use Permit Application
S 07-0021 - Cozzi Landscaping Corporation

RECEIVED
PLANNING DEPARTMENT
SEP 11 2008 11:12

Dear Planning Commissioners,

Attached is a list of the type of Special Use permits issued by the County. Cozzi Landscaping Corporation's application would be contrary to the permit issuance pattern of the past. I believe deviating from the past pattern would set the development of this county in the wrong direction. The list attached was generated from County records.

Sincerely provided,

Ken Eldridge
