Dear Mr. Perry,

We are pleased to share that EL Dorado County has been selected as an award recipient for the Engage, Empower, Implement (EEI) funding program for \$250,000. El Dorado County has been selected, along with their community-based organization partner, The El Dorado Community Foundation, to implement this grant and do meaningful community engagement.

SACOG staff will be working with staff to complete the required paperwork, including a Request for Authorization with Caltrans by January 31, 2025. El Dorado County will receive \$250,000 in federal funds though Caltrans. Upon completion and submission of the forms to Caltrans, staff will receive a notice to proceed and be able to implement the funds through 2027.

Congratulations and we look forward to this continued work together.

Sincerely,

James Corless
