AGREEMENT ON CONDITIONS FOR ACCEPTANCE OF DRAINAGE EASEMENTS FOR
SERRANO VILLAGE J6 – UNIT 3

AGREEMENT ON CONDITIONS FOR ACCEPTANCE OF DRAINAGE EASEMENTS

WHEREAS, Tentative Subdivision Map TM 13-1511, also referred to as Serrano Village J6 – Unit 3 of the El Dorado Hills Specific Plan, was approved by the County of El Dorado on _____, and included the following conditions relating to drainage:

- “17 . Drainage Maintenance: Drainage maintenance shall be the responsibility of the Master Owners’ Association. Therefore, all easements for drainage facilities shall first be offered to the County of El Dorado with rejection; the offer shall be subject to that agreement between Serrano and the County recorded as document 98-0015834-00 on March 26, 1998. Pursuant to the terms of said Agreement, upon rejection by the County, all drainage easements will be subsequently offered to the Master Owner’s Association simultaneously with the filing of the final map.
- 26 . Drainage, Cross Lot: Cross lot drainage shall be avoided. When concentrated cross lot drainage does occur or when the natural sheet flow drainage is increased by the project, it shall be contained within dedicated drainage easements. The drainage shall be conveyed via closed conduit or open channel, to either a natural drainage course of adequate size or an appropriately sized storm drain system. The Grading and Improvement plans shall show drainage easements for all on-site drainage facilities where required.” and,

WHEREAS, the Master Declaration of Covenants, Conditions and Restrictions and Reservation of Easements for Serrano provides,

3.07. Master Association Easements for Maintenance

A. The Master Association shall have an easement in and to that portion of a Lot or Parcel which adjoins the Common Area for the limited purpose of access to and maintenance of the adjoining Common Area. The Master Association shall have easements for access over such portions of Lots or Parcels as are reasonably necessary for the Master Association to maintain the Common Area and those front yard areas which are to be maintained by the Master Association, and no Owner shall interfere with the use of such easements by the Master Association or its agents or employees. The Master Association shall have easements for access over such portions of each Lot or Parcel as are reasonably necessary for the Master Association to maintain drainage facilities to be maintained by the Owner, should the owner fail to do so (which maintenance shall be at the sole cost and expense of the Owner); and to maintain drainage facilities to be maintained by the Master Association. No Owner shall interfere with the use of such easements by the Master Association or its agents or employees, and

WHEREAS, while the County intends to reject the offer of dedication for the drainage easements at the time of the final subdivision map for the Village, or any phase thereof, is approved, the County, and SERRANO ASSOCIATES, LLC, a Delaware limited liability company and WOODSIDE 05N, LP, a California limited partnership, the owners of Serrano Village J6 – Unit 3,

wish to define the events upon which the County may rescind its rejection and accept the drainage easements,

NOW, THEREFORE, IT IS HEREBY AGREED by and between the County of El Dorado, a political subdivision of the State of California, and SERRANO ASSOCIATES, LLC, a Delaware limited liability company and WOODSIDE 05N, LP, a California limited partnership, as follows:

1. The County shall reject all offers of dedication of drainage easements within Serrano Village J6 – Unit 3 at the time of approval of the final map(s) therefore.
2. Notwithstanding the rights granted to it under Government Code section 66477.2(a), the County shall not thereafter rescind its action and accept the drainage easements unless the Board of Supervisors has made a finding, based upon substantial evidence submitted at a public hearing specially held by the Board to consider the matter, that the Serrano Master Homeowners Association, or its successor-in-interest, has: (1) abandoned its maintenance responsibilities or real property interest in said drainage facilities, or; (2) failed to maintain said drainage facilities in a safe and proper manner or in accordance with applicable County maintenance standards.
3. This Agreement is intended to manifest the understanding of the parties with respect to Conditions 17 and 26 of TM 13-1511 and shall be utilized as the framework for the interpretation of other similar conditions imposed upon other tentative maps within the El Dorado Hills Specific Plan.
4. This Agreement is conditioned upon the creation and continued existence of the Serrano Master Homeowners' Association, or its successor-in-interest. In the event said organization or a similar such organization is not formed, or said organization ceases to exist without a successor-in-interest taking over its legal responsibilities for

maintenance, then this Agreement shall become null and void without any further action by the County.
