4. **Customer Data and Content; Responsibility for Use.**

4.1. **Customer Data.** Customer Data is information provided to Zoom so that Zoom can fulfill the terms of the Agreement and provide access to the Services (e.g., Company name, billing address, taxpayer ID number, VAT registration number, contact name and information). Customer is solely responsible for the accuracy of Customer Data, and Zoom has no liability whatsoever for errors and omissions in Customer Data.

4.2. **Customer Content.** Customer Content is any data or content originated by Customer, or an End User, and stored or transmitted using the Services. Customer Content includes files, documents, recordings, chat logs, meeting subject and attendees, transcripts, and any other information Customer or End Users may upload into the Services in connection with

the use of the Services. Zoom collects and processes Customer Content only as set forth in this Agreement, as needed to perform the Services, and as directed or instructed by Customer. As between Customer and Zoom, Customer shall retain ownership of all Customer Content. For purposes of Section 8 below, Customer Content is not “disclosed” to Zoom.

4.3. Customer Responsibility for Customer Content. As between Zoom and Customer, Customer is solely responsible for the use of the Customer Content and compliance with all Laws pertaining to the Customer Content, including, but not limited to, Laws requiring Customer to obtain the consent of a third party to use the Customer Content and to provide appropriate notices of third-party rights. Customer grants to Zoom a limited right to modify, reproduce and distribute the Customer Content, solely in connection with providing the Services. Customer represents and warrants that it has the right to upload the Customer Content to Zoom and that such use does not violate or infringe on any rights of any third party. Under no circumstances will Zoom be liable in any way for any (a) Customer Content that is transmitted or viewed while using the Services, (b) errors or omissions in Customer Content, or (c) any loss or damage of any kind incurred as a result of the use of, access to, or denial of access to Customer Content.

4.5.1 If Customer (i) is a “business” and Zoom processes “personal information” (as those terms are defined by the California Consumer Privacy Act of 2018, as amended) on Customer’s behalf, or (ii) is a “controller” and Zoom processes “personal data” (as those terms are defined by other applicable U.S. state data privacy Laws) on Customer’s behalf, or (iii) meets both criteria set out in (i) and (ii), then the Zoom [US State Law Privacy Addendum](#) is incorporated herein by reference and shall apply to Zoom’s “processing” of Customer’s “personal information” and “personal data” (as those terms are defined under the aforementioned Laws). Notwithstanding the notice obligations and requirements for a signed writing set forth in Section 9.4 (Termination by Zoom Due to Change in Law), Section 19.5 (General Provisions), or Section 19.9 (Notice), Zoom may modify the [US State Law Privacy Addendum](#) from time to time by posting updates to the Zoom US State Law Privacy Addendum. All such modifications shall be effective thirty (30) business days after posting to Zoom’s website, unless an earlier time is required pursuant to (a) the California Consumer Privacy Act of 2018, as amended, or its implementing regulations or (b) other applicable Laws.

4.5.2 Upon request, Zoom will prepare and execute a data processing agreement or addendum to this Agreement further delineating the Parties’ responsibilities with respect to information that reasonably identifies a specific individual.

5. Prices and Fulfillment. For each Service subscription that Zoom provisions to Customer, Zoom will bill Customer certain non-recurring and recurring charges at prices set forth in the applicable Order Form. The prices specified in the Order Form include all Zoom charges for the right to use the Services and are exclusive of all Taxes and Fees. Prices include standard support (see [Zoom Help Center](#)) and generally available updates to the Services. Separate charges for overage amounts and per-use charges may also apply, which charges will be described in the Order Form, and Customer agrees to pay these charges if Customer incurs them. Prices for professional services, if any, will be set forth in a professional services Order Form. All such Zoom charges are referred to as “**Charges**”.

5.1. Price Changes. Zoom may change prices for the Services from time to time, in its sole discretion. Any price changes will be effective upon the commencement of Customer’s next Renewal Term; provided, that Zoom shall provide Customer with reasonable notice of any such fee increase prior to the expiration of the Term or any Renewal Term.

5.2. Discounts and Promotional Pricing. Prices specified in the Order Form may include discounts or promotional pricing. These discounts or promotional pricing amounts may be temporary and may expire upon the commencement of a Renewal Term, without additional notice. Zoom reserves the right to discontinue or modify any promotion, sale or special offer at its sole and reasonable discretion.

6. Invoices and Payments. Unless specified otherwise in an Order Form, Customer shall pay all invoices within thirty (30) days from date of such invoice. Invoices may be issued electronically via email to the email address specified by the Customer. Except as explicitly provided in this Agreement, all payment obligations are non-cancelable and all amounts paid are non-refundable. Zoom shall invoice Customer for all non-recurring Charges, overage and per-use Charges, and associated Taxes and Fees, on the invoice following the provision of Service giving rise to such Charges, and shall invoice Customer for all recurring Charges and associated Taxes and Fees on the invoice preceding the period in which Services will be provided.

Customer acknowledges that Zoom is not required to provide any new Services set forth in an Order Form until all outstanding balances due and owing for existing Services are paid in full.

- 6.1. **Purchase Order Numbers.** If a Purchase Order Number is required for processing an invoice, Customer will provide such Purchase Order Number with the applicable Order Form. If issuance of a Purchase Order is delayed, Customer will provide a Purchase Order Number within 5 days of the Service Effective Date via email to billings@zoom.us. Notwithstanding the foregoing, the thirty (30) day period for payment shall commence as of the applicable invoice date. Such payment period shall not restart based on any delays in issuing a Purchase Order or any other Customer required procurement process.
 - 6.2. **VAT Invoices.** If required by Law, Zoom will issue a VAT invoice or a document that the relevant taxing authority will treat as a VAT invoice, to Customer. This invoice may be issued electronically.
 - 6.3. **Withholding.** To the extent that any amounts payable by Customer are subject to Withholding Taxes, the amount payable shall be grossed up by Customer when customer remits payment such that the amount paid net of Withholding Taxes equals the amount invoiced by Zoom.
 - 6.4. **Payment of Taxes and Fees.** Customer will pay to Zoom any applicable Taxes and Fees. Customer is solely responsible for paying any and all Taxes and Fees owing as a result of Zoom's provision of the Services to its Customers. If Customer is required to pay any Taxes and Fees, Customer shall pay such Taxes and Fees with no reduction or offset in the amounts payable to Zoom hereunder and Customer will pay and bear such additional amount as shall be necessary such that Zoom receives the full amount of the payment required as if no such reduction or offset were required. Customer acknowledges and agrees that Zoom will charge applicable Taxes and Fees on the invoice.
 - 6.5. **Tax Exemptions.** In the event Customer is exempt from any Tax or Fee, Customer will provide Zoom with all appropriate tax exemption certificates, and/or other documentation satisfactory to the applicable taxing authorities to substantiate such exemption status. Zoom reserves the right to review and validate Tax Exemption documentation, in the event that the Tax Exemption documentation is not valid, Zoom reserves the right to charge applicable taxes to Customer.
 - 6.6. **VAT Due by Customer.** In the event Taxes and Fees are due towards the taxing authorities by the Customer instead of Zoom through the reverse charge or other similar mechanism, Customer will provide Zoom with all appropriate evidence for Zoom to demonstrate the business nature of the Customer, such as a valid VAT registration number (or similar information required under the relevant VAT laws). Zoom reserves the right to review and validate the Customer's VAT registration number. In the event that the VAT registration number is not valid, Zoom reserves the right to nevertheless charge applicable VAT to Customer. For the avoidance of doubt, if VAT is due by the Customer to a taxing authority, through the reverse charge or other similar mechanism, the Customer is solely responsible for paying those amounts to the relevant taxing authority, such that Zoom receives the full amount of payment required.
 - 6.7. **Billing and Contract Information; Billing Disputes.** Customer represents and warrants that the Customer Data provided to Zoom is complete and accurate. If Customer believes an invoice is incorrect, Customer must contact Zoom in writing within thirty (30) days of the date of the invoice, and identify the amount in question, to be eligible to receive an adjustment or credit, which adjustment or credit, if any, shall be determined by Zoom in Zoom's reasonable discretion after reviews all relevant information.
 - 6.8. **Tax Determination.** Tax determination is principally based on the location where the Customer has established its business based on the Customer Data. This will be defined by Zoom as the Customer's 'Sold To' address. Zoom reserves the right to cross reference this location against other available evidence to validate whether Customer's location is accurate. In the event that Customer's location is inaccurate, Zoom reserves the right to charge Customer any outstanding Taxes and Fees.
 - 6.9. **Use and Enjoyment.** If Customer purchases Zoom Services, and those Services are used and enjoyed by a subsidiary of Customer in a country that is different to Customer's location as determined by Section 6.8 of this Agreement, Customer confirms that where required Customer will treat this as a supply to its subsidiary. In the event Customer purchases services and those services are used and enjoyed by a branch or individual in a country that is different to the Customer's location as determined by Section 6.8 of this Agreement, Customer acknowledges they will inform Zoom of the Services that have been allocated and Customer acknowledges that Zoom reserves the right to charge Taxes and Fees based on the use and enjoyment of those services.
7. **Zoom Proprietary Rights.** Zoom or its licensors own and shall retain all proprietary rights, including all copyright, patent, trade secret, trademark, trade name and all other intellectual property rights, in and to the Services. Zoom owns and shall retain ownership of any suggestions, ideas, enhancement, feedback, recommendations or other information provided by

Customer or any other party relating to the Services. The Services are protected by copyright laws and international copyright treaties, as well as other U.S. federal, state and international intellectual property laws and treaties. Customer acknowledges that the rights granted under this Agreement do not provide Customer with title to or ownership of the Services, but only a right to use the Services under the terms and conditions of this Agreement.

8. **Confidentiality.** Subject to the California Public Records Act, each party agrees to regard and preserve as confidential all non-public information provided by the other party relating to the business, systems, operations, strategic plans, source code, Services, clients, pricing (including, but not limited to, the pricing terms herein), methods, processes, financial data, programs, and/or products of the other party in any form, that are designated as “confidential,” or a reasonable person knows or reasonably should understand to be confidential (herein “**Confidential Information**”). Each party agrees to limit its disclosure of the other party’s Confidential Information to as few persons as possible and only to those persons with a need to know that are its or its Affiliates’ personnel and subject to an obligation to keep such information confidential. Except as needed to fulfill either party’s respective obligations under this Agreement, in accordance with the consent or instructions of the disclosing party, or as expressly permitted herein, the receiving party shall not: (i) disclose the disclosing party’s Confidential Information to any person, firm, or enterprise without the disclosing party’s prior written consent, or (ii) use the disclosing party’s Confidential Information for its own benefit, or the benefit of a third party.
- 8.1. **Exclusions.** “**Confidential Information**” shall not include Customer Content or information that (a) is already rightfully known to a party at the time it is obtained from the other party, free from any obligation to keep such information confidential; (b) is or becomes publicly known or available through no wrongful act of a party; (c) is rightfully received from a third party without restriction and without breach of this Agreement; or (d) is developed by a party without the use of any proprietary, non-public information provided by the other party under this Agreement.
- 8.2. **Exception.** Either party may disclose Confidential Information where required by law, regulation, or court order, provided that the party subject to such law, regulation or court order shall, where permitted, notify the other party of any such use or requirement prior to disclosure in order to afford such other party an opportunity to seek a protective order to prevent or limit disclosure of the information to third parties.
- 8.3. **Confidentiality Period and Obligations.** The confidentiality obligations set forth in this section of the Agreement shall remain in effect for a period of five (5) years from the disclosure of the information. Both parties agree (a) to take reasonable steps to protect the other party’s Confidential Information, and these steps must be at least as protective as those the receiving party takes to protect its own Confidential Information, and no less than a reasonable standard of care; (b) to notify the disclosing party promptly upon discovery of any unauthorized use or disclosure of Confidential Information; and (c) in the event of any unauthorized disclosure by a receiving party, to cooperate with the disclosing party to help regain control of the Confidential Information and prevent further unauthorized use or disclosure of it.
9. **Term and Termination; Suspension.** Each Order Form will specify a Service Effective Date, an Initial Subscription Term, and a Renewal Term for the Services subscribed to in that Order Form.
- 9.1. **Term and Renewal; Early Termination.** Unless specified otherwise in the Order Form, a Renewal Term will commence automatically upon conclusion of the Initial Subscription Term or prior Renewal Term unless either party sends written notice of termination at least thirty (30) days prior to the commencement of the next Renewal Term.
- 9.2. **Termination by Either Party.** A party may terminate this Agreement by: (a) providing written notice of termination without cause to the other party, provided that all subscription terms for all outstanding Order Forms have expired or been terminated, or (b) providing written notice of termination for cause if the other party has materially breached the Agreement and has not cured such breach within thirty (30) days of written notice of such breach.
- 9.3. **Termination or Suspension by Zoom.** In the event Zoom reasonably believes that Customer or any End User is in material breach of Sections 2 or 8, Zoom may immediately suspend or disconnect access to Customer’s or such End User’s use of the relevant Services, prior to termination for cause as provided above and until such breach is cured. Zoom may also suspend Customer’s and/or an End User’s use of or access to any Service if it reasonably believes that such suspension is necessary to prevent imminent harm to Zoom, Zoom’s network, any End User, or any third party communicating with an End User. Zoom may immediately terminate access if it reasonably believes Customer is in breach of Section 2.4. Zoom may also suspend Customer’s Services immediately and without prior notice in the event any Charges are past due. Any suspension, disconnection, or termination pursuant to this Section 9.3 shall be without liability to Zoom, and Customer will remain responsible for all recurring Charges incurred during the period of suspension or disconnection.
- 9.4. **Termination by Zoom Due to Change in Law.** In the event of any change in Law that has the effect of materially increasing Zoom’s costs to provide Service hereunder or effectively cancels, changes or supersedes any material term or provision of this Agreement (collectively “**Change in Law**”) either party may, on thirty (30) days’ prior written notice to the other require that they enter into good faith negotiations to revise the Agreement to appropriately address

the Change in Law. If the Parties are unable to agree on such revisions within thirty (30) days from the date of notice, Zoom may terminate this Agreement with immediate effect.

10. **Responsibilities upon Termination.**

10.1. Cessation of Use. Upon any termination of this Agreement, Customer shall immediately cease any further use of the Services.

10.2. Return of Customer Content. For thirty (30) days following expiration or termination of the Agreement, Zoom will provide Customer access to retrieve Customer Content, after which time Customer Content will be deleted according to regularly scheduled deletion protocols.

11. Service Level Agreement. Zoom shall make commercially reasonable efforts to ensure that Downtime does not exceed 0.1% in a month. In the event of any Downtime of the Services in excess of 0.1% in a month, Zoom shall provide Customer a credit in an amount equal to the Downtime percentage times Customer's monthly subscription amount for the Service. Customer shall provide Zoom with prompt written notice of any Downtime. If Zoom fails to correct any Downtime situation within fifteen (15) business days after receipt of such notice, Customer may terminate this Agreement.

12. Zoom Marketplace. The Zoom Marketplace is a site where Zoom and third party developers may make available applications that are interoperable with the Services and is further defined in Exhibit A.

13. Managed Domains. The Managed Domains functionality is made available to certain Customers and is subject to the terms as further defined in Exhibit A.

14. **Warranties.**

14.1. Limited Warranty. Zoom warrants to Customer that the Services will, in all material respects, conform to the functionality described in the Zoom Documentation. Zoom's sole and exclusive obligation, and Customer's sole and exclusive remedy for a breach of this warranty shall be that Zoom shall use commercially reasonable efforts to modify the Services to conform in all material respects to the Zoom documentation, and if Zoom is unable to materially restore such functionality within thirty (30) days from receipt of written notice of said breach, Customer shall be entitled to terminate the Agreement upon written notice and shall be entitled to receive a pro-rata refund of the unused Charges that have been paid in advance (if any) under this Agreement. This warranty shall be in effect for the first thirty (30) days ("**Warranty Period**") from the date the applicable Services are first provided to the Customer. In the event of any material non-conformance reported after the Warranty Period, Zoom's sole and exclusive obligation and Customer's sole and exclusive remedy shall be to secure assistance through Zoom's technical support services.

14.2. Warranty Disclaimer. EXCEPT AS EXPLICITLY PROVIDED IN SECTION 14.1, ZOOM AND ITS LICENSORS EXPRESSLY DISCLAIM ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES, EITHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE WITH RESPECT THERETO, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, OR THE CONTINUOUS, UNINTERRUPTED, ERROR-FREE, VIRUS-FREE, OR SECURE ACCESS TO OR OPERATION OF THE SERVICES AND/OR ZOOM SERVICES. ZOOM EXPRESSLY DISCLAIMS ANY WARRANTY AS TO THE ACCURACY OR COMPLETENESS OF ANY INFORMATION OR DATA ACCESSED OR USED IN CONNECTION WITH THE SERVICES. TO THE EXTENT ZOOM CANNOT DISCLAIM ANY SUCH WARRANTY AS A MATTER OF APPLICABLE LAW, THE SCOPE AND DURATION OF SUCH WARRANTY SHALL BE LIMITED TO THE FULLEST EXTENT PERMITTED BY LAW.

15. **Indemnification.**

15.1. Indemnification by Zoom. Provided that Customer complies with the terms of Section 15.3 below, Zoom agrees to indemnify, defend and hold harmless Customer from any third party suits, claims or demands and associated liabilities, costs, damages and expenses (including, but not limited to, attorneys' fees, expert fees and court costs) (collectively, "**Claims**") that Customer may sustain or incur arising from infringement by the Services of any copyright, trademark or trade secret of a third party, or any U.S. patent. This indemnity will not apply to any Claim that the infringement arose from the combination of the Services with software, hardware, content, data or other items not supplied by Zoom. In the event that the licensed Services are, or in Zoom's sole opinion are likely to be, enjoined due to the type of infringement described in this Section 15, Zoom, at its option and expense, may (a) replace the applicable Services with functionally equivalent non-infringing technology or (b) obtain a license for Customer's continued use of the applicable Services, or, if the foregoing alternatives are not reasonably available to Zoom (c) terminate this Agreement and refund any sums prepaid for Services not provided as a result of such termination.

15.2. Indemnification by Customer. Provided that Zoom complies with the terms of Section 15.3 below, Customer agrees to indemnify, defend and hold harmless Zoom and its Affiliates and their respective officers, directors, members, employees, consultants, agents, suppliers and resellers from any Claims arising from (a) Customer's or Customer's End Users' use of the Services in violation of this Agreement; (b) any infringement or violation by Customer or any End User of any intellectual property or other right of any person; and (c) Customer's or any End User's violation of any Law.

15.3. Indemnification Procedures. In claiming any indemnification under this Section 15, the indemnified party shall promptly provide the indemnifying party with notice of any claim that the indemnified party believes is within the scope of the obligation to indemnify. The indemnified party may, at its own expense, assist in the defense if it so chooses, but the indemnifying party shall control the defense and all negotiations relative to the settlement of any such claim. Any settlement intended to bind the indemnified party shall not be final without the indemnified party's written consent, which consent shall not be unreasonably withheld or delayed.

16. Limitation on Liability.

16.1. EXCLUSIONS. ZOOM SHALL NOT BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR (a) THE COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; (b) ANY UNAUTHORIZED ACCESS TO, OR ALTERATION, THEFT OR DESTRUCTION OF THE WEB SITE, ANY CONTENT, CUSTOMER DATA, SYSTEM DATA, OTHER DATA FILES, PROGRAMS OR INFORMATION THROUGH ERROR, OMISSION, ACCIDENT OR FRAUDULENT MEANS OR DEVICES NOT DIRECTLY ATTRIBUTABLE TO ZOOM'S NEGLIGENT ACTS OR OMISSIONS, OR FOR OTHER CIRCUMSTANCES OUTSIDE OF ZOOM'S REASONABLE CONTROL, OR (c) ANY MALFUNCTION OR CESSATION OF INTERNET SERVICES BY INTERNET SERVICE PROVIDERS OR OF ANY OF THE NETWORKS THAT FORM THE INTERNET WHICH MAY AFFECT THE OPERATION OF THE SERVICES.

16.2. NO INDIRECT DAMAGES. IN NO EVENT SHALL EITHER PARTY OR ITS LICENSORS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR DAMAGES FOR LOSS OF REVENUES OR PROFITS, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA, BREACH OF DATA, OR THE COST OF SUBSTITUTE PRODUCTS OR SERVICES, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EACH PARTY AGREES TO TAKE REASONABLE ACTION TO MITIGATE ITS DAMAGES.

16.3. AGGREGATE LIABILITY CAP. IN NO EVENT SHALL ZOOM'S LIABILITY FOR ANY DAMAGES EXCEED AN AMOUNT EQUAL TO THE TOTAL CHARGES PAID TO ZOOM UNDER THIS AGREEMENT IN THE PRIOR TWELVE (12) MONTHS PRECEDING THE INCIDENT GIVING RISE TO THE CLAIM. THIS LIMITATION APPLIES TO ALL CAUSES OF ACTION IN THE AGGREGATE, INCLUDING, WITHOUT LIMITATION, BREACH OF CONTRACT, MISREPRESENTATIONS, NEGLIGENCE, STRICT LIABILITY AND OTHER TORTS. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY.

17. Force Majeure. Neither party hereto will be liable for defaults or delays (other than the non-payment of Charges) due to Acts of God, or the public enemy, acts or demands of any government or governmental agency, fires, floods, accidents, or other unforeseeable causes beyond its control and not due to its fault or negligence.

18. Binding Arbitration and Class Action Waiver.

18.1. Agreement to Arbitrate; Waiver of Class Action. For Customers located in the United States, Customer and Zoom agree to resolve disputes only on an individual basis, through arbitration pursuant to Sections 18.2, 18.3, and 18.4. **THE PARTIES EXPRESSLY WAIVE ANY RIGHT TO BRING ANY ACTION, LAWSUIT, OR PROCEEDING AS A CLASS OR COLLECTIVE ACTION, PRIVATE ATTORNEY GENERAL ACTION, OR ANY OTHER PROCEEDING IN WHICH ANY PARTY ACTS OR PROPOSES TO ACT IN A REPRESENTATIVE CAPACITY.**

18.2. Disputes. A dispute is any controversy between Customer and Zoom concerning the Services, any software related to the Services, the price of the Services, Customer's account, Zoom's advertising, marketing, or communications, Customer's purchase transaction or billing, or any term of this Agreement, under any legal theory including contract, warranty, tort, statute, or regulation, except disputes relating to the enforcement or validity of Customer's or Zoom's intellectual property rights. As part of the best efforts process to resolve disputes, and prior to initiating arbitration proceedings, each party agrees to provide notice of the dispute to the other party, including a description of the dispute,

what efforts have been made to resolve it, and what the disputing party is requesting as resolution, to the address provided below for Notices.

- 18.3. Small Claims Court Available.** Customer may initiate an action in Small Claims Court for its local jurisdiction if Customer meets the court's requirements. However, if such a claim is transferred, removed or appealed to a different court, Zoom reserves the right to require arbitration.
- 18.4. Arbitration Procedure.** Disputes not resolved pursuant to Section 18.1 or 18.2 shall be resolved through arbitration. The American Arbitration Association ("AAA") will conduct any arbitration under its Commercial Arbitration Rules. For more information, see www.adr.org. Arbitration hearings will take place in the federal judicial district of Customer's primary business location. A single arbitrator will be appointed. The arbitrator must: (a) follow all applicable substantive Law; (b) follow applicable statutes of limitations; (c) honor valid claims of privilege; (d) issue a written decision including the reasons for the award. The arbitrator may award damages, declaratory or injunctive relief, and costs (including reasonable attorneys' fees). Any arbitration award may be enforced (such as through a judgment) in any court with jurisdiction. **Under AAA Rules, the arbitrator rules on his or her own jurisdiction, including the arbitrability of any claim; however, a court has exclusive authority to enforce the prohibition on arbitration on a class-wide basis or in a representative capacity.**
- 18.5. Arbitration Fees.** If Customer is unable to afford the arbitration costs, Zoom will advance those costs to Customer, subject to the arbitrator's determination if costs should be reimbursed to Zoom if Zoom prevails. - S. **Customer Managed Key Service.** Customer Managed Key Service is an advanced security service, which allows Customers to encrypt and decrypt certain Customer Content stored by Zoom using cryptographic keys provided and maintained by an external Key Management Service ("KMS"). KMS means a managed system obtained by Customer from a third party provider enabling Customer to create and control certain cryptographic keys. KMS is not a Zoom Service and must be purchased separately from Zoom's Customer Managed Key Service from a provider supported by Zoom.
1. **Corresponding License.** Customer's access and use of Customer Managed Key Service requires a corresponding subscription to Zoom Meeting Services, Zoom Phone Services, Zoom Rooms and/or Zoom Events. In the event such underlying Zoom Meeting Services, Zoom Phone Services, Zoom Rooms and/or Zoom Event subscription for which Customer Managed Key Service is used expires or is terminated for any reason, Customer's access to the Customer Managed Key Service for the corresponding license will also terminate and Customer will be billed for any unpaid Customer Managed Key Service Charges or fees. Except as explicitly provided otherwise, all Customer Managed Key Service payment obligations are non-cancelable and all amounts paid are non-refundable.
 2. **KMS.** Zoom is not liable or responsible for any act or omission of any KMS provider, any operation of KMS or Customer's utilization thereof, including the access, modification, or deletion of Customer Content attributable to said KMS, regardless of whether Zoom's Customer Managed Key Service supports any such KMS. Customer remains solely responsible at all times for configuring and maintaining the KMS used in conjunction with Customer Managed Key Service. Customer acknowledges and agrees that Customer's access and use of Customer Managed Key Service requires Customer to: (1) set up and maintain a set of identical cryptographic keys in no less than two data centers located in separate geographic regions; and (2) configure and maintain KMS to ensure Zoom may access Customer's cryptographic keys as needed to provide the Customer Managed Key Service. Zoom is not liable for Customer's failure to meet the foregoing requirements, which may result in loss or degradation of certain Services, including but not limited to the loss of ability to use, record, view or participate in Zoom Meeting Services, Zoom Phone Services, Zoom Rooms, Zoom Events and related features.

Zoom Mesh Service is designed to improve network bandwidth utilization of certain Zoom Services (e.g. Zoom Webinar and Zoom Events) by reducing the number of simultaneous identical media streams sent to a customer's network. Customer's access to and use of Zoom Mesh Service requires an underlying subscription to certain Zoom Services (e.g. Zoom Webinar or Zoom Events).

Customer acknowledges and agrees that the backup encryption keys may be required to access email messages on Mail and Calendar Service in the event Customer or a user loses access to a device, uninstalls the Zoom client application, or reformats a hard drive, and that Customer is solely responsible for maintaining accessible copies of such backup encryption keys. Zoom does not maintain backup encryption keys and is not liable or responsible for the inaccessibility of email messages on Mail and Calendar Service, or any loss of data, including but not limited to, Customer Content, resulting from Customer's failure to maintain copies of such backup encryption keys.
 3. **Zoom Mail and Calendar Client.** Zoom Mail and Calendar Client ("Mail and Calendar Client") is an integration service that allows a Customer's users to access and view their third party provider's email and calendar in Zoom's mobile and desktop client applications.
