Subject re: grant money for SLT housing. Please reconsider your
vote and apply for the grant!

greetings Ray Nutting, I write because I have heard that you voted against receiving "stimulus money" from the Feds to help renovate housing in SLT. I will be at the BOS meeting today at 3:30 to join others in hoping to persuade you to vote to reconsider this, and instead ask for and accept the money, and apply for the grant to carry out the housing work. Please call me at 626-4240 to help me understand why you would vote against receiving this grant money. Thank you. Robert Heilman Hanks Exchange Rd.

Subject Neighborhood Stabilization Program Application

Dear Supervisor Nutting,

I'm sending this email to each of your colleagues because this affects every district in the county.

I strongly urge that you vote to reconsider the adoption of a Resolution authorizing submittal of a 2009 Neighborhood Stabilization Program Application jointly with the City of South Lake Tahoe (City) to the California Department of Housing and Community Development for up to a \$1,610,096 grant. Once reconsideration has been approve, it is my hope that you will support the staff's recommendation to apply for this grant as it will revitalize our neighborhoods and help create jobs.

By dismissing this possibility, we would be cutting off our nose to spite our face. It's difficult to understand how someone could see this as a bad thing. I live in South Lake Tahoe and our area is in a desperate situation. This reconsideration is an opportunity to make a difference both for District 5 and the rest of El Dorado County.

Subject Neighborhood Stabilization Program

Supervisor Sweeny,

Please reconsider the adoption of the Resolution authorizing submittal of a 2009 Neighborhood Stabilization Program.

I live in South Lake Tahoe. With the economy in such bad shape I find it hard to believe that elected officials would not consider the needs of our County and community with this possible \$1.6 million dollar grant.

Additionally, once reconsideration has been approved, I would hope that you will support the efforts to apply for this grant. This could really help to revitalize our neighborhoods and help create jobs.

Subject 2009 Neighborhood Stabilization Program

Dear Supervisors,

I am a concerned citizen, in South Lake Tahoe. I strongly urge that you vote to reconsider the adoption of a Resolution and Stabilization Program Application jointly with the City of South Lake Tahoe (City) to the California Department of Housing and Community Development for a \$1,610,096 grant. Hopefully reconsideration will be approved. I would then ask you to apply for this grant, which is a "for" community.

Sincerely,

Subject Please Reconsider Accepting Stimulus Money

Supervisor Nutting: I urge you to reconsider applying for and accepting stimulus money to help stabilize our neighborhoods.

The availability of these funds presents an opportunity to create jobs, revitalize neighborhoods, and stabilize property values.

Please vote today to reconsider this important proposal, then please vote to apply for funds from the 2009 Neighborhood

Stabilization Program in partnership with the City of South Lake Tahoe.

As a long time el dorado county resident, I object strenuously to efforts to remove ourselves from consideration for this money. Get real.

Subject stimulus funds

Dear Supervisors,

Please accept this statement in support of accepting the more than \$1.6 million in stimulus funds that would create jobs, save our neighborhoods, improve our ability to sell these homes, make money for the County, and have an overall positive outcome. These are unique times for our County and our communities. Each opportunity that provides a stimulus needs to be looked at for what it can do positively that will make a difference.

Thank you for listening, reconsidering and acting in the affirmative for this grant. We are already seeing in SLT what the results of Measure G are bringing in the way of jobs and hope. Please consider this carefully.

Wendy David
