

**NOTES:**  
 This is a DRAFT of the County Zoning Map for the purpose of analysis as part of the Environmental Impact Report for the Targeted General Plan Amendment and Comprehensive Zoning Ordinance Update (SC9900000000). No decisions have been made. Final recommendations will be made following a public hearing of the Board of Supervisors.  
 The zoning represented in this map is consistent with the County's 2004 General Plan and current Land Use Designation Map. It may also reflect historical Area Plan Zoning Maps and the 1989 Zoning Map.  
 This document was compiled from many sources - public and private. The accuracy of which was not verified by the County of El Dorado. The County does not warrant, expressly or implicitly, the accuracy or quality of information contained in this document. Users therefore use the information at their own risk, and are encouraged to verify any information contained or depicted in this document.  
 Land use data is developed and maintained by the El Dorado County Development Services Department, Planning Division. This map uses a modified version of the parcel base referred to below.  
 Parcel base and road data developed and maintained by the El Dorado County Surveyor's Office - GIS Division.  
 The airport safety zones are shown for informational purposes only. For medical airport safety zone boundary locations, see large scale map maintained by the El Dorado County Transportation Commission.
