DATE: June 9, 2008
TO: Board of Supervisors
FROM: Peter N. Maurer, Principal Planner
SUBJECT: INRMP/PAWTAC – Item 29 on June 10, 2008 Agenda

In agenda transmittal of May 22, 2008 regarding the work program for the INRMP, I referred to the most recent Board direction regarding the make up of the Plant and Wildlife Technical Advisory Committee as the action taken in 1999. It has been brought to my attention that a more recent action was taken by the Board on October 16, 2001. At that hearing PAWTAC was reorganized to consist of 14 members, including members with scientific background, representatives of resource agencies, and representatives from SAGE, EID, and the Farm Bureau.

Based on this more recent action, staff would modify its recommendation accordingly, so that it would read as follows:

2. Direct staff to recruit for and identify prospective PAWTAC members, based on the parameters for the committee established in 2001.
