Contractor will be required to provide relevant program information and data measures to the Probation Department by submitting quarterly progress reports utilized to assess the impact of the Title II Juvenile Delinquency Prevention and Intervention projects on the involvement of at-risk or system-involved youth. This may include outcome measures related to the service levels, treatment modes, and stability measures for juvenile participating in, or benefitting from, Title II programs and/or services. Some data measures to be collected will include breaking-out gender, age and race/ethnicity; contractor must have the ability to delineate Title II funded, participant- specific data. The deadline for submitting grant quarterly progress reports will be no later than 45 days following the end of each quarterly reporting period. Staff will develop a draft data collection tool and collaborate with new grantees to solicit their input and finalize the tool after project modalities and Program Purpose Areas have been submitted.

## ARTICLE II

**Term:** This Agreement shall become effective upon final execution by both parties hereto and shall cover a term of four (4) years, October 1, 2015 through September 30, 2019 to coincide with Title II Juvenile Delinquency Prevention and Intervention Grant Program.

## ARTICLE III

**Compensation for Services:** For services provided herein, including any deliverables that may be identified herein, County agrees to pay Contractor upon the satisfactory completion and County's acceptance of work, monthly in arrears and within forty-five (45) days following the County's receipt and approval of itemized invoice(s) identifying services rendered, and containing all data specified herein below. Contractor shall submit monthly invoices no later than fifteen (15) days following the end of a "service month." For billing purposes, a "service month" shall be defined as a calendar month during which Contractor provides services in accordance with "Scope of Services." Failure to submit invoices by the 15<sup>th</sup> of the month following the end of a service month, or failure to submit invoices with all required data may result in a significant delay in reimbursement. All invoices for months within the fiscal year ending June 30, must be received by County no later than July 15 for payment processing.

All invoices submitted shall contain all of the following data:

- Contractor's name, address, and phone number
- Invoice number
- Date of Invoice
- Balance forward: including outstanding balance (amount with the invoice number and date), and payments received (amount, invoice number and date)
- Current monthly billing details should include:
  - Service date(s)
  - Monthly total of billable hours (coded TITLE II \*along with any other designation for CBO identification)
  - Billing rate
  - Copy of employee's time card and time study, and salary/wage report.
- Contractor's signature and date, confirming fees charged and verifying that all information on the invoice is valid and correct.
- Signature line for Contract Administrator, or designee, and date, verifying services and hours provided are in accordance with "Scope of Services."
- Included with each monthly invoice, Contractor shall provide a document with details of invoiced hours to include: Therapist(s) name, date, number of hours worked, and related code. This document shall balance to the corresponding month's invoice and shall reflect actual hours worked by Program Therapist(s). Coding: Program Therapist's hours, as coordinated by the Juvenile Hall Superintendent are to be coded TITLE II \*along with any other designation for CBO identification.

For the purposes of this Agreement, the billing rate shall be;

- A. COUNSELING SERVICE: Year 1 shall not exceed \$80,000.  
The therapist rate is calculated at \$60 per hour.

The amount for Community Based Contracts will remain the same for years 2-4 of the grant as service provision will continue through all years of the grant. The negotiated rates for the counseling services to be provided will remain the same.

- B. DATA COLLECTION: Year 1 shall not exceed \$6,325.  
Data collection funds will support a percentage of each agency's clinicians and administrative staff that collect participant data in the intake and assessment process and outcome data as young people complete their designated programs.

We anticipate that the cost for data collection will remain stable in Grant Years 2 and 3 but then increase in Year 4 as we work to evaluate the overall success of the program and close the grant cycle out.

- C. PROGRAM EVAL: Year 1 shall not exceed \$1,750.  
Program evaluation is essential to the success of the Title II Aftercare & Reentry Program. As such, each partnering agency will receive a portion of funds to support their evaluative efforts. Each agency supports a different locality and therefore will need to standardize the evaluative criteria and implement a plan for evaluating program outcomes. A majority of these evaluative efforts will occur at the mid-year and year-end partnership meetings. NMYFS will receive \$1,750 to support their evaluative efforts.

Evaluation funding will gradually increase through Grant Years 2-4 as more participants receive services through the program and we are better able to evaluate participant and program outcome data. Year 4 will have the highest cost for evaluation as we will be working to compose the final evaluation report per BSCC guidelines.

D. TRAVEL EXPENSES: Year 1 shall not exceed \$66.67.

Travel costs for one representative from each partner agency (Probation, NMYFS, and TYFS) to travel to Sacramento for the BSCC launch meeting for the Title II Program. Travel costs are calculated at 94 miles x 56 cents per mile x 3 people to total \$157.92. The remainder of the costs will support per-diem costs for each employee attending the meeting at \$14 per person.

Other expenses are difficult to outline, as travel costs may increase for additional meetings in Grant Years 2 - 4 and other miscellaneous expenses for the grant may also occur that will contribute to a higher expense rate in this line item.

\*Per year maximum amounts are subject to line item value of the BSCC Title II grant yearly approved budget.

Total amount of this Agreement shall not exceed \$352,700.00.

Itemized invoices shall follow the format specified by County and shall reference this Agreement number on their faces and on any enclosures or backup documentation. Copies of documentation attached to invoices shall reflect Contractor's charges for the specific services billed on those invoices. Invoices shall be mailed to County at the following address:

County of El Dorado  
Probation Department - Fiscal  
3974 Durock Rd, Ste. 205  
Shingle Springs, CA 95682

or to such other location as County directs.

In the event that Contractor fails to deliver the documents or other deliverables required by the individual Work Orders issued pursuant to this Agreement, County at its sole option may delay the monthly payment for the period of time of the delay, cease all payments until such time as the deliverables are received, or proceed as set forth herein below in Article titled, Default, Termination, and Cancellation.

Grants will be funded for a 4-year grant period, the first year of which will commence October 1, 2015 and end on September 30, 2016. A non-competitive reapplication process for continued funding will be issued for the second year (October 1, 2016 – September 30, 2017), the third year (October 1, 2017 - September 30, 2018), and the fourth/final year (October 1, 2018 – September 30, 2019). **HIPAA Business Associate Agreement**

This Business Associate Agreement is made part of the base contract ("Underlying Agreement") to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the "Effective Date").

**RECITALS**

**WHEREAS**, County and Contractor (hereinafter referred to as Business Associate ("BA")) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information ("PHI") and Electronic Protected Health Information ("EPHI") may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement; and

**WHEREAS**, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the "HITECH" Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the "HIPAA Regulations") and other applicable laws as may be amended from time to time; and

**WHEREAS**, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103 ; and

**WHEREAS**, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103; and

**WHEREAS**, "Individual" shall have the same meaning as the term "individual" in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

**WHEREAS**, "Breach" shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

**WHEREAS**, "Unsecured PHI" shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.
  
2. Scope of Use and Disclosure by BA of County Disclosed PHI
  - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
  
  - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
    - (1) use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
    - (2) disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
    - (3) disclose PHI as necessary for BA's operations only if:
      - (a) prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
        - (i) to hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and,
        - (ii) the third party will immediately notify BA of any breaches of confidentiality of PHI to extent it has obtained knowledge of such breach.
    - (4) aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
    - (5) not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
    - (6) de-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
  
  - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or

required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.

3. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:

- A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with 45 CFR 164.308, 164.310, 164.312, and 164.504(e)(2). BA shall comply with the policies and procedures and documentation requirements of the HIPAA Security Rule.
- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- C. Report to County in writing of any access, use or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
- D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

4. PHI Access, Amendment and Disclosure Accounting. BA agrees to:

- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall

provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).

- B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
- C. To assist the County in meeting its disclosure accounting under HIPAA:
  - (1) BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if know, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.
  - (2) Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
- D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary") , BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.

5. Obligations of County.

- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if

such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.

- C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
- D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
  - (1) Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
  - (2) Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
  - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
- C. Effect of Termination.
  - (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.
  - (2) In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and .

BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

7. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
8. Amendment The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
9. Survival The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
10. Regulatory References A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
11. Conflicts Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.

These common variables will be identified collaboratively by the BSCC and the grantees during the grantee orientation meeting. It is anticipated that grantees will be required to submit this common set of variables on a quarterly basis. Data elements may include demographic and other background information, program status information, level and intensity of program services information, and short-term and intermediate-term outcome information.

### 5. PROGRESS REPORTS AND EVALUATIONS

A. Grantee will submit quarterly progress reports, including results for the Federal performance indicators, in a format prescribed by the BSCC. These reports, which will describe progress made on program objectives and include required data, shall be submitted according to the following schedule:

Progress Report Periods	Due Date

A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions taken with respect to the project, including copies of this Grant Agreement, approved program/budget modifications, financial records, and required reports.

C. The Grantee shall establish separate accounting records and maintain documents and other evidence sufficient to properly reflect the amount, receipt, and disposition of all project funds, including grant funds, any matching funds by the Grantee, and the total cost of the project. Source documentation includes copies of all awards, applications, approved modifications, financial records, and narrative reports.

D. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are required for consultants (subcontractors).

F. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee's principal office, a written index of the location of records stored must be on hand and ready access must be assured.

G. All Grantee records relevant to the project must be preserved a minimum of three (3) years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the BSCC or designees. **EXHIBIT A SCOPE OF WORK**

resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

**7. AUDIT**

Grantee must submit an audit of expenditures within 120 days following the end of the grant period. Grantees may choose either a program-specific audit or a single federal audit. Federal guidelines allow grantees receiving \$500,000 or more in federal funds in a fiscal year to use their federal justice assistance grant funds to pay for the cost of the audit. Grantees falling below the \$500,000 threshold must use non-federal funds (i.e., match funds) to pay for audit costs. For purposes of this grant award, please check one of the boxes below to indicate the grantee's choice for meeting the audit requirement.

In conformance with Federal OMB Circular #A-133, and the California State Controller's Accounting Standards and Procedures, Chapter 23, Grant Accounting Index, the identified grant will be included in the City/County Single Federal Audit Report, which will be submitted to the BSCC within the required timeframe of 120 days from the end of the grant period. NOTE: Should an extension be needed, please provide in advance of the deadline a written justification that indicates the reason(s) for the extension and the timeframe needed.

OR

In conformance with Federal OMB Circular #A-133, and the California State Controller's Accounting Standards and Procedures Chapter 23, Grant Accounting Index, the grantee will provide a Program-Specific Final Audit Report to the BSCC within the required timeframe of 120 days from the end of the grant period.

**EXHIBIT B**  
**BUDGET DETAIL AND PAYMENT PROVISIONS**

**1. INVOICING AND PAYMENTS**

A. The Grantee shall be paid quarterly in arrears by submitting an invoice (Form 201) to the BSCC that outlines actual expenditures claimed for the invoicing period.

**Invoicing Periods**

**Invoice Due Date**

1) October 1 through December 31, 2015	February 15, 2016
2) January 1 through March 31, 2016	May 16, 2016
3) April 1 through June 30, 2016	August 15, 2016
4) July 1 through September 30, 2016	November 15, 2016

B. The Grantee shall submit an invoice to the BSCC each invoicing period, even if grant funds are not expended or requested during the invoicing period.

**2. GRANT AMOUNT AND LIMITATION**

A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC and the State of California and the Federal Government on account of project costs that may exceed the sum of the grant award.

B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement. In no event shall changes be authorized for the Indirect Costs/Administrative Overhead line item that would result in that item exceeding ten percent (10%) of the grant award.

**3. BUDGET CONTINGENCY CLAUSE**

A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent year covered under this Grant Agreement does not appropriate funds for the purposes of this program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.

B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an agreement amendment to Grantee to reflect the reduced amount.

C. This Grant Agreement is valid and enforceable only if sufficient funds are made available by the United States Congress and California Legislature. Grantee agrees that the BSCC's obligation to pay any sum to the Grantee under any provision of this agreement is contingent upon the availability of sufficient funds.

**4. PROJECT COSTS**

A. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs. The BSCC Grant Administration and Audit Guide outlines eligible and ineligible project costs.

B. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.

C. Grant funds must be used to supplement existing funds for program activities and may not replace (supplant) non-state/state grant funds that have been appropriated for the same purpose. Potential supplanting will be the subject of grant monitoring. Violations can result in a range of penalties (e.g., recoupment of monies provided under this grant, suspension of future program funding through BSCC grants, and civil/criminal penalties).

If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.

D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

**18. PRIORITY HIRING CONSIDERATIONS:** If this Contract includes services in excess of \$200,000, the Contractor shall give priority consideration in filling vacancies in positions funded by the Contract to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. **EXHIBIT D**

**SPECIAL TERMS AND CONDITIONS**

**1. GRANTEE'S GENERAL RESPONSIBILITY**

Grantee is responsible for the project activities identified in Attachment 1: Application for Funding/Grant Proposal to BSCC. Review and approval by the BSCC is solely for the purpose of proper administration of grant funds, and shall not be deemed to relieve or restrict the Grantee's responsibility. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.

**2. CONFLICTS BETWEEN DOCUMENT TERMS**

In the event of any inconsistency in the Grant Agreement, except as otherwise provided herein, the inconsistency shall be resolved by giving precedence in the following order:

- 1) Exhibits A & B: Scope of Work, Budget Detail and Payment Provisions
- 2) Exhibit E: Federal Assurances
- 3) Exhibit D: Special Terms and Conditions
- 4) Exhibit C: GTC 610, General Terms and Conditions

**3. GRANTEE ASSURANCES AND COMMITMENTS**

**A. Compliance with Laws and Regulations**

This Grant Agreement is governed by and shall be interpreted in accordance with the laws of the State of California. Grantee shall at all times comply with all applicable state laws, rules and regulations, and all applicable local ordinances.

**B. Fulfillment of Assurances and Declarations**

Grantee shall fulfill all assurances, declarations, representations, and statements made by the Grantee in Attachment 1: Application for Funding/Grant Proposal, documents, amendments, approved modifications, and communications filed in support of its request for grant funds.

**C. Permits and Licenses**

Grantee agrees to procure all permits and licenses necessary to complete the project, pay all charges and fees, and give all notices necessary or incidental to the due and lawful proceeding of the project work.

**4. POTENTIAL SUBCONTRACTORS**

A. In accordance with the provisions of this Grant Agreement, the Grantee may subcontract with consultants for services needed to implement and/or support program activities. Grantee agrees that in the event of any inconsistency between this Grant Agreement and Grantee's agreement with a subcontractor, the language of this Grant Agreement will prevail.

B. Nothing contained in this Grant Agreement, or otherwise, shall create any contractual relation between the BSCC and any subcontractors, and no subcontract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the BSCC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the BSCC's obligation to make payments to the Grantee. As a result, the BSCC shall have no obligation to pay or to enforce the payment of any monies to any subcontractor.

C. Grantee shall ensure that all subcontractors comply with all requirements of this Grant Agreement.

**EXHIBIT D**  
**SPECIAL TERMS AND CONDITIONS**

D. Grantee assures that for any subcontract awarded by the Grantee, such as insurance and fidelity bonds, as is customary and appropriate, will be obtained.

E. Grantee agrees to place appropriate language in all subcontracts for work on the project requiring the Grantee's subcontractors to:

1) Books and Records

Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the subcontractor's work on the project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after the acceptance of the project's final audit of expenditures under the Grant Agreement, and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees, or by federal government auditors or designees.

2) Access to Books and Records

Make such books, records, supporting documentations, and other evidence available to the BSCC or designee, the Department of General Services, the Department of Finance, the Bureau of State Audits, and their designated representatives during the course of the project and for a minimum of three (3) years after acceptance of the project's final audit of expenditures. The Subcontractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.

**5. PROJECT ACCESS**

Grantee shall ensure that the BSCC, or any authorized representative, will have suitable access to project activities, sites, staff, and documents at all reasonable times during the grant period.

**6. ACCOUNTING AND AUDIT REQUIREMENTS**

All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see Accounting Standards and Procedures for Counties, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and invoices. The Grantee further agrees to the following audit requirements:

A. Federal Single Audit Act

If the Grantee expends \$500,000 or more in a year in federal funds, Grantee agrees to comply with the provisions pursuant to the Federal Office of Management and Budget Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Circular No. A-133 requires non-federal entities that meet the expenditure criteria to have either a single or program-specific audit conducted for that expenditure year.

B. Interim Audit

The BSCC reserves the right to call for a program audit or a system audit at any time between the execution of this Grant Agreement and the completion or termination of the project. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement, or take other remedies legally available.

## EXHIBIT D

### SPECIAL TERMS AND CONDITIONS

#### C. Annual Audit

1) Within 120 calendar days of this Grant Agreement end date, all Grantees must obtain and submit an annual program audit to the BSCC. Only Grantees expending \$500,000 or more in a year are authorized to use federal funds to pay the costs associated with performing the audit. Should the federal single audit report include this grant project, the Grantee may submit the federal single audit to satisfy the annual audit requirement. The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits.

2) Since the audit function must maintain organizational independence, the Grantee's financial officer for this project shall not perform the annual audit. If the Grantee's internal auditor performs the audit, the auditor must be organizationally independent from the Grantee's accounting and project management functions. Additionally, Grantee's internal auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a Grantee auditor completes the audit.

#### 7. MODIFICATIONS

No change or modification in the project will be permitted without prior written approval from the BSCC. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in the Application for Funding/Grant Proposal. Changes shall not be implemented by the project until authorized by the BSCC.

#### 8. TERMINATION

A. This Grant Agreement may be terminated by the BSCC at any time after grant award and prior to completion of project upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction includes, but is not limited to:

- 1) substantial alteration of the scope of the grant project without prior written approval of the BSCC;
- 2) refusal or inability to complete the grant project in a manner consistent with Attachment 1: Application for Funding/Grant Proposal, or approved modifications;
- 3) failure to provide the required local match share of the total project costs; and
- 4) failure to meet prescribed assurances, commitments, recording, accounting, auditing, and reporting requirements of the Grant Agreement.

E. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 calendar days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 8. Settlement of Disputes.

#### 9. SETTLEMENT OF DISPUTES

A. In the event of a dispute, Grantee shall file a "Notice of Dispute" with the BSCC Corrections Planning and Programs Division Deputy Director. Within 30 days, the Deputy Director shall meet with the Grantee and the designated BSCC Field Representative for purposes of resolving the dispute.

The appeal shall be in writing and shall:

- 1) state the basis for the appeal;
- 2) state the action being requested of the Deputy Director; and
- 3) include any correspondence/documentation related to the cause for dissatisfaction.

**EXHIBIT D**

**SPECIAL TERMS AND CONDITIONS**

B. The Deputy Director will review the appeal and render a decision on the appeal within 30 calendar days. The decision of the Deputy Director shall be in writing and shall provide rationale for the decision.

C. If dissatisfied with the decision, the Grantee may file for a review by the BSCC Executive Director. Such request shall be in writing and contain all the elements listed above in Item A.

D. The decision of the Executive Director shall be final. Notice of the decision shall be mailed to the Grantee.

E. The procedural time requirement may be waived with written mutual consent of both Grantee and Deputy Director. Grantee shall continue with the responsibilities under this Agreement during any dispute.

**10. WAIVER**

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.
