Subject: Rate Request Additional Information

Dear Sue,

Thank you for meeting today to discuss the Amador Disposal rate increase request. Based on the back to back large rate increase requests and the changes and discrepancies in the financial information provided with the recent Amador Disposal rate request, audited financial statements are required.

Per our discussion, you will be providing a written response to the letter dated June 3, 2009. That response will include the name of the CPA firm and timeframe of the independent audit of Amador Disposal. This written response is needed by Wednesday June 10, 2009.

Regards,

Gerri Silva, M.S., REHS
Director of Environmental Management
