NOW, THEREFORE, IT IS HEREBY RESOLVED as follows:

1. **Recitals Correct.** The foregoing recitals are true and correct.
2. **No Majority Protest.** The proposed establishment of the CFD, proposed special tax to be levied within the CFD and issuance of bonds have not been precluded by majority protest pursuant to section 53324 and section 53349 of the Act.
3. **Prior Proceedings Valid.** All prior proceedings taken by this Board in connection with the establishment of the CFD and the levy of the special tax have been duly considered and are hereby found and determined to be valid and in conformity with the Act.
4. **Establishment of CFD.** The community facilities district designated "County of El Dorado Community Facilities District No. 2023-1 (East Ridge)" is hereby established pursuant to the Act.

The improvement area designated "Improvement Area No. 1 of the County of El Dorado Community Facilities District No. 2023-1 (East Ridge)" is hereby established pursuant to the Act.

The future annexation area designated "County of El Dorado Community Facilities District No. 2023-1 (East Ridge) (Future Annexation Area)" is hereby established pursuant to the Act.

5. **Boundaries of CFD.** The boundaries of the CFD, Improvement Area No. 1, and the Future Annexation Area, are shown on proposed map of the CFD heretofore recorded in the El Dorado County Recorder's Office on July 20, 2023 as Document Number 2023-0020156 are hereby approved, are incorporated herein by reference and shall be the boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area, respectively.

6. **Description of Facilities.** The type of public facilities proposed to be financed by the CFD and pursuant to the Act shall consist of those items set forth, including impact fees to pay for facilities, in Exhibit A hereto and by this reference incorporated herein (the "Facilities").

For Future Improvement Areas, the type of public facilities to be financed by such area may consist of facilities different than the Facilities if the annexed territory is designated as a separate improvement area. Any facilities in addition to or instead of the Facilities shall be identified and approved in the Unanimous Approval executed by property owners in connection with their annexation to the CFD from the Future Annexation Area, and shall be effective without the need for additional Board approval.

7. Special Tax.

a. Except to the extent that funds are otherwise available to the Improvement Areas to pay for the Facilities, to pay the principal and interest on bonds and other debt (as defined in the Act) of the County to finance the Facilities, to the repayment of funds advanced by the County for the CFD and including the repayment under any agreement (which shall not constitute a debt or liability of the County) of advances of funds or reimbursement for the lesser of the value or cost of work in-kind provided by any person for the CFD, a special tax (the "Special Tax") sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property is intended to be levied annually and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as may be prescribed by this Board.

b. The proposed rate and method of apportionment of the Special Tax among the parcels of real property within Improvement Area No. 1, in sufficient detail to allow each landowner within Improvement Area No. 1 to estimate the maximum amount such owner will have to pay, is attached hereto as Exhibit B to this Resolution and hereby incorporated herein (the "Rate and Method"). The Special Tax for Improvement Area No. 1 (the "Improvement Area No. 1 Special Tax") shall not be levied in Improvement Area No. 1 after the 2075-76 fiscal year, except that an Improvement Area No. 1 Special Tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years. Under no circumstances shall the Improvement Area No. 1 Special Tax levied against any parcel in Improvement Area No. 1 used for private residential purposes be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within Improvement Area No. 1 by more than 10 percent.

The proposed rate and method of apportionment of the Special Tax among the parcels of real property within a Future Improvement Area, in sufficient detail to allow each landowner within such Future Improvement Area to estimate the maximum amount such owner will have to pay, shall be set forth in the applicable Unanimous Approval. The Special Tax shall not be levied in a Future Improvement Area after the fiscal year identified in the rate and method for such Future Improvement Area, except that a special tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years. Under no circumstances shall the special tax levied against any parcel in a Future Improvement Area for private residential purposes be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within such Future Improvement Area by more than 10 percent.

For Future Improvement Areas, a different rate and method may be adopted than the Rate and Method adopted for Improvement Area No. 1 if the annexed territory is designated as a separate improvement area. No supplements to the Rate and Method for any of the Improvement Areas and no new rate and method will cause the maximum tax rate in the then-existing territory of the CFD (including Improvement Area No. 1) to increase. The designation as an improvement area of any territory annexing to the CFD, the maximum amount of bonded indebtedness and other debt for such improvement area, the rate and method of apportionment of special tax for such improvement area and the appropriations limit for such improvement area shall be identified and approved in the Unanimous Approval executed by property owners in connection with their annexation to the CFD from the Future Annexation Area. The annexation and related

matters described in the Unanimous Approval shall be implemented and completed without the need for Board approval as long as the following conditions are met:

(i) The rate and method of apportionment of special tax for the new improvement area is prepared by a special tax consultant retained by the County.

(ii) The rate and method of apportionment of special tax for the new improvement area complies with the County's local goals and policies concerning the use of the Act.

(iii) The rate and method of apportionment of special tax for the new improvement area does not establish a maximum special tax amount for the initial fiscal year in which the special tax may be levied for any category of special tax set forth in the Rate and Method for Improvement Area No. 1 that is greater than 135% of the maximum amount of the same or closest category of special tax for the same fiscal year calculated pursuant to the Rate and Method for Improvement Area No. 1.

(iv) The rate and method of apportionment of special tax for the new improvement area does not introduce a type of special tax that was not included in the Rate and Method for Improvement Area No. 1 (e.g., a special tax that is levied and must be paid in a single fiscal year).

(v) The rate and method of apportionment of special tax for the new improvement area includes a mechanism that protects against revenue loss as a result of land use changes to the extent of revenue needed to pay indebtedness of the CFD.

c. Territory in the Future Annexation Area will be annexed into the CFD and a special tax will be levied on such territory only with the Unanimous Approval of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed into the CFD. Except to the extent that funds are otherwise available to the CFD to pay for the Facilities and/or the principal and interest as it becomes due on bonds of the CFD issued to finance the Facilities, a Special Tax sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property in the Future Annexation Area, is intended to be levied annually within the Future Annexation Area, and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as may be prescribed by this Board.

d. As required by Section 53339.3(d) of the Act, the Board hereby determines that the Special Tax proposed to pay for one or more Facilities to be supplied within the Future Annexation Area will be equal to the Special Taxes levied to pay for the same Facilities in previously-existing areas of the CFD, except that (i) a higher Special Tax may be levied within the Future Annexation Area to pay for the same Facilities to compensate for the interest and principal previously paid from Special Taxes in the original area of the CFD, less any depreciation allocable to the financed Facilities and (ii) a higher Special Tax may be levied in the Future Annexation Area to pay for new or additional Facilities, with or without bond financing.

e. This Board hereby finds that the provisions of Section 53313.6, 53313.7 and 53313.9 of the Act (relating to adjustments to *ad valorem* property taxes and

schools financed by a community facilities district) are inapplicable to the proposed CFD and the Improvement Areas.

8. **Increased Demands.** It is hereby found and determined that the Facilities are necessary to meet increased demands placed upon local agencies as the result of development occurring in the CFD, Improvement Area No. 1, and the Future Annexation Area.

9. **Responsible Official.** The Auditor-Controller of the County of El Dorado, 333 Fair Lane, Placerville, CA 95667, is the officer of the County who will be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number, estimating future special tax levies and for establishing procedures to promptly respond to inquiries regarding estimates of future special tax levies.

10. **Tax Lien.** Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code of California, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in Improvement Area No. 1, and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the tax by the County ceases. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code of California, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property annexed to the CFD from the Future Annexation Area, and this lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the tax by the County ceases.

11. **Appropriations Limit.** In accordance with the Act, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the CFD is hereby preliminarily established at \$40 million, and said appropriations limit shall be submitted to the voters of the CFD as hereafter provided. The proposition establishing said annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in accordance with the applicable provisions of the Act.

12. **Election.** Pursuant to the provisions of the Act, the proposition of the levy of the Improvement Area No. 1 Special Tax and the proposition of the establishment of the appropriations limit for Improvement Area No. 1 specified above shall be submitted to the qualified electors of Improvement Area No. 1 at an election. The time, place and conditions of the election shall be as specified by a separate resolution of the Board. The qualified electors for the election to be held in these proceedings shall be the landowners owning land within the CFD. The County will conduct the election by mailed ballot and hereby designates the Clerk or the Board as the official to conduct the mailed-ballot election.

13. **Conformity With the Act.** This Board now finds and determines that all proceedings up to and including the adoption of this Resolution were and are valid and in conformity with the requirements of the Act. This determination and finding is final and conclusive in accordance with Government Code Section 53325.1.

14. **Effective Date.** This resolution shall take effect upon its adoption.
