El Dorado County Board of Supervisors,

This letter is to inform you that the California Tahoe Emergency Services Operations Authority (CTESOA) is in support of any efforts to improve continuity of County services in regards to public safety. We endorse and appreciate the effort being made to have more collaboration between the County and the emergency related services. We encourage the County's efforts to evaluate additional organizational funding alternatives. We appreciate the Board's time and consideration of these improvements.

Thank you,

Ryan Wagoner
Executive Director
CTESOA
