Subject For Special Meeting

Dear El Dorado County Board of Supervisors,

Given the state of the economy and the needs of locals, the vote of the Board of Supervisors to refuse stimulus money that would have assisted in the redevelopment of abandoned and foreclosed homes is especially egregious.

Put your people first! (Thank you, Supervisor Santiago, for doing so.)

I strongly urge that you vote to reconsider the adoption of a Resolution authorizing submittal of a 2009 Neighborhood Stabilization Program Application jointly with the City of South Lake Tahoe (City) to the California Department of Housing and Community Development for up to a \$1,610,096 grant. Additionally, once reconsideration has been approve, it is my hope that you will support staff's recommendation to apply for this grant as it will revitalize our neighborhoods and help create jobs.

Sincerely,

Kim Wyatt  
South Lake Tahoe, CA

I'm writing to you to ask that you vote to reconsider the adoption of the resolution to authorize submittal of the 2009 Neighborhood Stabilization Program Application that is scheduled for today's 3:30 meeting. Assuming reconsideration is approved, I strongly urge you to support staff's recommendation to apply for this grant. In this time of serious economic uncertainty, to ignore this opportunity would be criminal.

Sincerely,

Subject reconsider and adopt the Neighborhood Stabilization  
Program Application on today's agenda

Supervisor Briggs,

I strongly urge that you vote to reconsider the Board's past refusal to adopt the Resolution authorizing submittal of a 2009 Neighborhood Stabilization Program Application jointly with the City of South Lake Tahoe (City) to the California Department of Housing and Community Development for an up to \$1,610,096 grant.

Once reconsideration has been approved, it is my hope that you will support staff's recommendation to apply for this grant immediately, because that Grant will revitalize our neighborhoods and help create jobs.

It will mean jobs for real estate agents and companies.

It will mean jobs for our local construction industry.

It will take toxic mortgages off the books of banks and lending institutions and free up loan capital for new investment in our county.

It will remove the blight of boarded-up or neglected properties in our neighborhoods.

It will permit local citizens with "underwater" home loans to start afresh to get into a home that they can actually afford in today's economy.

Do the right thing. Authorize the Grant Application!

Supervisor Briggs,

I was sad to hear but not surprised that yesterday you voted to against the Housing and Community Development Grant. I strongly urge that you vote to reconsider the adoption today. It is completely irresponsible to turn your nose up at almost 1.7 million dollars that will help to revitalize our neighborhoods and create jobs based on ideological reason. In these hard economic times El Dorado County need all the help it can get. Please do the right thing and support staff's recommendation to apply for this grant.

Thank-You,  
Desiree Ayala

Subject Neighborhood Stabilization Program

Supervisor Briggs,

Please reconsider the adoption of the Resolution authorizing submittal of a 2009 Neighborhood Stabilization Program.

I live in South Lake Tahoe. With the economy in such bad shape I find it hard to believe that elected officials would not consider the needs of our County and community with this possible \$1.6 million dollar grant.

Additionally, once reconsideration has been approved, I would hope that you will support the efforts to apply for this grant. This could really help to revitalize our neighborhoods and help create jobs.

Subject Neighborhood Stabilization Program Application

Dear Supervisor Briggs,

I'm sending this email to each of your colleagues because this affects every district in the county.

I strongly urge that you vote to reconsider the adoption of a Resolution authorizing submittal of a 2009 Neighborhood Stabilization Program Application jointly with the City of South Lake Tahoe (City) to the California Department of Housing and Community Development for up to a \$1,610,096 grant. Once reconsideration has been approve, it is my hope that you will support the staff's recommendation to apply for this grant as it will revitalize our neighborhoods and help create jobs.

By dismissing this possibility, we would be cutting off our nose to spite our face. It's difficult to understand how someone could see this as a bad thing. I live in South Lake Tahoe and our area is in a desperate situation. This reconsideration is an opportunity to make a difference both for District 5 and the rest of El Dorado County.
